When they picked each other up they did not need any gasoline, except for a bath, and they had already had a close shave, so Geo. Grant proceeded in his Ford to St. Helens to see if some patches would make an improvement in their looks. The doctor declared he could not improve their looks but might soothe their ruffled feelings, and when he was done they resembled a bale of cotton and the man we sometimes place in a cornfield. The girls all close their eyes, boys.

The shower tendered Miss Hazel Watts on Saturday, February 24, was the largest social event recently happening in Scappoose. Miss Watts received many beautiful gifts, accompanied by clever original verses.

SICK WIFE'S STORY SURPRISES ST. HELENS

The following has surprised St. Helens: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler-i-ka relieved her INSTANTLY. Because Adler-i-ka empties BOTH large and small intestine it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold.
