REBEKAH LODGE ENTERTAINS VISITORS

Twelve Candidates Are Initiated and Banquet Served.

The St. Helens lodge of Rebekahs had as their guest Saturday night some forty members of the Laurelwood lodge of St. Johns. The occasion of the visit of the latter lodge was to help initiate twelve applicants into the secrets of the lodge, and Laurelwood lodge brought down its degree team, which is considered one of the best in the state, to put on the work. After the initiatory exercises, the guests and members were invited to the banquet hall, and Chef Bill Fullerton, with a corps of assistants, served the famous Fullerton-White clam chowder. Impromptu speeches were made and a general good time had. The St. Johns people were guests for the night at the homes of the local lodge members and departed on the early boat for their home Sunday morning.

LIVE ITEMS FROM WEST ST. HELENS

Roy Webber, who some time ago purchased the Lew Caldwell ranch in Happy Hollow, is making preparations to move on his place.

Word has been received from Guy Crosby, who is at St. Vincent's hospital suffering with a badly broken leg, that the fracture has been set and he is getting along as well as could be expected. He hopes to again be with his Houlton friends in the near future.

Jesse Barger has purchased a lot near the Italian Importing Company store and intends to immediately begin the erection of a comfortable dwelling.

Miles Gensman went to Portland Wednesday to tender his services to Uncle Sam. He prefers the cavalry. His brother Avery expects to soon join the navy.

Earl Saxton has rented his farm in Bachelor Flat and Saturday left for Idaho, where he will locate. As soon as he becomes comfortably settled, he will send for his family.

Sidney Usher, one of Uncle Sam's "Jackies," was in West St. Helens Tuesday and Wednesday of this week visiting relatives and renewing old acquaintances. Sidney is attached to the war vessel Saratoga, and he and the boys on the vessel are anxiously awaiting the call to active service. Robert McQueen, the son of Mrs. McQueen, returned with Sidney when he went to join his vessel in Bremerton, and in all probability will enlist in Uncle Sam's navy.

Mrs. Iris Oliver was in Portland several days the first part of the week, visiting friends and buying goods for her bargain store, which she recently opened. Though Mrs. Oliver is at the present time carrying only a small stock, it is a well selected one and undoubtedly the public will give her a liberal amount of patronage.

When the St. Helens crowd got off the train Monday evening, it looked like a returning excursion.

Misses Margaret and Helen Spence came down from Portland Tuesday for a few days visit with their mother and brother.

A decided sentiment is growing among the people in this part of the city as in favor of some salary going with the offices of mayor and councilman. It looks like a shabby thing to literally force a man into a position which has lots of work and responsibility with it without giving him something for his work, as was done in the case of E. L. Ballagh in the recent election. A good part of the taxpayers of Houlton are in favor of paying the city officials something for their labor.

PROCLAMATION

Acting in behalf of the city of St. Helens as its officers, we deem it especially fitting at this time, in view of the fact that we are at war with one foreign nation and likely to be at war with others, that it is the duty of our citizens to evidence their patriotism by displaying the United States flag at the homes, public buildings and business houses throughout the city.

We urge universal observance of respect towards the flag, and obedience to the laws of the land, especially as regards acts of disloyalty towards our country and the constituted authorities. We urge every citizen to assist the cause of the country in every way possible.

Knowing full well that the citizens of St. Helens can be relied on to perform faithfully this duty, we are,

Respectfully,

S. C. MORTON,

Mayor.

J. W. ALLEN,

E. I. BALLAGH,

WASHINGTON MUCKLE,

T. S. WHITE,

Councilmen.

Many young ladies of St. Helens met last night and formed an Honor Guard. They will be affiliated with the Oregon organization. A report of the organization will be in next week's issue.

All members are requested to present.

H. E. Abry, county roadmaster, attended a meeting of the highway engineers in Portland Saturday. A meeting was called for the purpose of arriving at some standard for construction of state and county highways. Forty engineers were in attendance, and ten engineers found it impossible to be present. In their applications for membership O. Lauerhaard was chosen president of the organization. Columbia county was given recognition by the association when it elected Mr. Abry a director and also placed him on the executive committee.
