INDUSTRIAL REVIEW

RAILROADS WILL DEMONSTRATE VALUE

That the railroads of the country will demonstrate their importance and value to the country in time of court in the above entitled cause to war, under the present organization. me directed and dated the 23 day can border to Portland.

"President Wilson's message to the American people," said Mr. Sproule, day of December, 1916, until paid, "has aptly referred to the railroads and for the further sum of \$125.00 as the 'arteries of the nation's life,' with interest thereon at the rate of 6 per cent per annum from the 20th saying that upon the men who run saying that upon the men who run them 'rests the immense responsibil-ther sum of \$34.65 vosts and disity of seeing that those arteries suf-fer no obstruction of any kind, no the officious of shakened power. The officious of shakened power. inefficiency or slackened power." sponsibility.

now confronting the nation as a ne- particularly described as follows: cessary feature of the problems of has already proved itself in time of

material changes in the organization. which is flexible already, as shown visited the Panama-Pacific International exposition.

"In war times the important place of the carriers in industrial life becomes conspicuous. The railroad man who helps to keep the trains execution, running in the time of his country's and order of sale, and in compliance need, and he can do that better than with the commands of said writ. I he can do anything else for the na-will on Monday, the 36th day of tion, is helping to fight his country's battle as well as his brother who house in Columbia County, Oregon, goes to the front. Each in his place at St. Helens, sell at public auction is doing his part. His training and (subject to redemption) to the highexperience are necessary in his present position. A man can be taught more quickly to handle a rifle than he can be taught to repair a loco- of March, 1916, the date of the mort-morive or run a train. It is not immotive or run a train. It is not improbable that the government will hold it as important that the trans-portation service keep its ranks in-order and decree, interest, costs and tact as that the military and naval accruing costs.

The above described property, sold

the desire of the government. They mortgage.

Dated this 24th day of March, stand responsive to the needs of the 1917 country, ready to serve in whatever manner may be best. The railroad 1517 service will not be found to be a comfortable place for slackers."
