PRESIDENT AIDS WOMAN'S BUILDING

Give $500 Check in Memory of Mrs. Mary Grafton Campbell.

Five hundred dollars has just been added to the fund for the woman's memorial building in the form of a check from President P. L. Campbell and family. The donation is a memorial to Mrs. Mary Grafton Campbell, sister-in-law of President and Mrs. Campbell, who during the last years of her life was a sincere and active friend of the University of Oregon. Mrs. Mary Grafton Campbell died three years ago.

She was remarkable for her interest in intellectual and educational matters and in all that tended to raise the social and political standard of women. Early in life Mrs. Campbell graduated in medicine in New York City; later she spent four years doing advance work at Heidelberg and Vienna. She never relaxed her interest in things educational; when 60 years old she took the degree of M. A.—not honorary, but for actual work performed—at Stanford University. Her keen interest in college work and in young people kept her viewpoint young even to her last days.

Mrs. Campbell belonged to an old Virginia family. In the early days of the woman suffrage campaign she was active with Susan B. Anthony and other woman's rights leaders, assisting in the fight in Colorado, in the early nineties.

Mrs. Mary Grafton Campbell spent the last five years of her life in Eugene, making her home with President and Mrs. Campbell and was well known to the student body at that time.

The woman's building fund now has pledges totaling more than $13,000. Proceeds of the senior play given May 11 and of the three one-act plays given a week earlier were contributed to the fund.

Willing to Take a Chance

There was recently haled into court a little Irishman to whom the thing was a new experience. But he was unabashed and wore an air of a man determined not to "get the worst of it."

"Prisoner at the bar," called out the clerk, "do you wish to challenge any of the jury?"

The Celt looked the men in the box over very carefully.

"Well, I tell ye," he finally replied, "O'im not exactly in trainin,' but Oi think Oi could go a round or two with that fat old boy in the corner."

California lumbermen have bought a box factory and sawmill seven miles from Ashland. The mill, which has been closed for some time, will be overhauled and operation resumed.

A gravel plant, considerel one of the best in the state, has started operations near Oregon City.

LUMBER RATES ARE ON THE INCREASE

Few Charters Made—Tonnage Extremely Scarce.

Present lumber rates per one thousand feet board measure for coasting and foreign loading, as given by the Shipowners' Association of the Pacific Coast, of San Fancisco, in their circular of the 19th inst., are as follows:

Humboit Bay to San Francisco, $5.

Coos Bay to San Francisco, $5.75.

Columbia river, Grays Harbor and Puget Sound to San Francisco, $6.50.

To southern California ports the rates are $1 per thousand feet higher than to San Francisco.

The cost to transport lumber to the Hawaiian Islands is $17.50, and to Valparaiso, $35. To African ports the rate is 250 shillings. At these rates the shipowners will reap a harvest, as in ordinary times $4 to San Francisco and $4.50 to San Pedro was considered fair freight. The ordinary rate to Honolulu is around $9 to $11. Further advances are expected.

THE SMALL GARDEN LOT

In order to encourage intensified gardening and improve every other reasonable means of promoting the food preparedness campaign, the Union Pacific has just published a leaflet on the "Small Back Lot Garden." The leaflet gives in concise and comprehensive paragraphs complete instructions as to how best to employ the unoccupied space in the back yard of the average town home. Anyone desiring one of these leaflets should address a request to the general passenger agent in Portland, and it will be cheerfully and promptly sent.

An Appreciation

A young lady residing in Nutana, who knitted a pair of socks for a soldier at the front, enclosed her address inside one of the socks and a few days ago received a letter of thanks, accompanied by the following verse:

"Thank you, kind lady, the socks are
some fit;
I used one for a hammock and one
for a mitt.
Hope to meet you some day, when
I've done my bit;
But where in —— did you learn to
knit?"
