operation." F. W. Boesel has charge of the arrangements.

 E. C. Farr, a brother of John Farr, arrived here Monday from Pittsburg, Pa., to visit his brother. He was here some years ago and visited at Goble, where he is known. He is pleased to escape the rigorous cold of Pennsylvania and enjoy the Oregon climate. In all probability he will make this his future home. They all come back.

A large meeting of the farmers was held Monday night in the Grange hall, to consider ways and means to secure feed and hay for those who desire it in carload lots. County Agent Howard pointed out the value of co-operative buying, and through his efforts the farmers have been enabled to secure cleaner seed at the wholesale rates. The seed now costs at retail 35 cents per pound, while the farmer is getting it wholesale at a little over 25 cents, making a saving of nearly 9 cents per pound, which is greatly appreciated. A carload of shorts and bran was subscribed for, also a carload of hay. The question of a suitable place to distribute the goods shipped in and the storing of the farmers' produce for shipment caused a good deal of discussion and it was the consensus of opinion that a warehouse was badly needed. Carleton Lewis strongly advocated the erection of one at once, and pointed out its many advantages. The Grange had this subject under consideration last fall but the matter was postponed for a time, and at this meeting a committee was appointed to confer with a like committee from the Grange to take steps towards the erection of a suitable building. C. J. Larson told of his experience and expressed himself as to the project being a benefit, although he stated that he was so close to the depot he did not feel the necessity of it so much as those farther away. The meeting was adjourned to meet on the second Saturday evening in March, at which time the committee will report.

 The regular monthly meeting of the Woman's Club was held at the home of Mrs. Chas. Brown Wednesday, February 13. The roll call responses were entertaining, useful and otherwise helpful. The hostess had arranged two different contests which created much merriment. Suitable prizes were given the winners. Miss Myrtle Davis gave much pleasure with her vocal solos "Who Knows?" and "Somewhere a Voice is Calling." The club adjourned to meet Wednesday, March 13, with Mrs. Albert Adams.
 Last Thursday afternoon ten loyal women met in Artisan hall and organized a Deer Island Red Cross Sewing Unit to work with the St. Helens Auxiliary. In Keeping With the Big Thought of the Day

The daily press reflects a sentiment throughout the nation which clearly indicates a new condition

Men are wanted everywhere. The work of this war is being carried on largely by those who never before have been in public office or in public work. Men who have been too busy, too engrossed with their own tasks, are leaving their work to others and giving their time and ability to the cause which is ours, yours, everybody's.

It is time when politics in the ordinary sense must not be considered. It calls for all the ability that can be mustered.

Oregon to be a successful part in this unit plan for the defense of Democracy, must likewise place the thought of the times before everything.

In another part of this paper appears the announcement of L. J. Simpson as a candidate for the nomination for Governor on the Republican ticket. Mr. Simpson was urged to become a candidate by his many friends in every part of the state, because of his business record, his understanding and knowledge of Oregon's resources, industries and needs; because of his public-spiritedness, which of recent years has led him to tasks which have been more important to him than his own affairs.

L. J. Simpson is clearly the man who can give Oregon the administration necessary to this plan of National Efficiency.

His campaign will be directed straight to you as voters, as individuals who do your own thinking.

We are firmly convinced that you will not allow politics to influence your decision, and that you will vote for the man who is best fit to help the people of Oregon, develop the state's vast resources, and to prepare for, and participate in, the great reconstruction that is to follow.

We believe you will weigh issues more closely than ever before, and that L. J. Simpson will be your choice.

What You Can Do

First—Talk over his candidacy with your friends.

Second—If you believe that L. J. Simpson is worthy of your support write a letter to this committee.

Suggest how his cause may be advanced. We, in turn, will tell you how you can help.
