UNCLAIMED LETTERS

Letters unclaimed at the St. Helens, Ore., postoffice for the week ending March 2, 1918:
W. A. Graham, Wm. Lee.
Letters unclaimed by March 16 will be sent to division of dead letters.
I. E. DODD,

YANKTON

Charles Swygert has purchased a Ford car.
Miss Marie Walker spent the week end visiting with Miss Ivy Tarbell.
Mrs. Fred Briggs, who has been quite ill in a Portland hospital, returned home last Sunday.
Miss Mary Wilverding and the Misses Shultz, of Portland, visited relatives in Yankton and attended the Red Men's dance.
The Yankton Grange held an open meeting last Saturday evening. County Agent Howard was present and demonstrated how to mix a poison for the purpose of exterminating squirrels and gophers. He stated the only way to get rid of these destructive little animals was for the entire community to begin about the same time to use the poison. Good results could be obtained in this way only. If only a few use the poison it is a waste of time and money. Poisoned barley is given away free by the Yankton Grange to all farmers of this neighborhood who will ask for it. Guy Tarbell has charge of the distribution of the poison.

The Pneumonia Season.

The cold, damp weather of March seems to be the most favorable for the pneumonia germ. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask anyone who has used it.

J. L. Easley, Macon, Ill., in speaking of Chamberlain's Cough Remedy says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."
