WARREN

Warren is to have a warehouse for the marketing of the produce of the residents of this fertile spot. Definite action was taken at a meeting held Saturday night in the Grange hall which was well attended. While there were a goodly number present many who will be benefited by the establishing of a warehouse did not show enough interest to come. But that is the case in all enterprises. A few will originate and work up the matter and a number will look on, throw cold water or wait to see if they cannot secure the benefit of the other fellow's labor before taking any action themselves. Over \$500 was subscribed, and a committee consisting of K. F. Larsen, A. L. Morris and A. L. Larson was appointed to see those who were not present but who are favorable to the enterprise, for the purpose of securing the balance needed. County Agent Howard has been very much interested in the project and talks encouragingly. The plans were made by A. H. Tarbell, C. M. Hyskell, P. C. Jacobson, A. L. Larson, K. F. Larsen, Carleton Lewis, Washington Muckle, W. J. Fullerton and others. The only objection to the warehouse comes from those who do not nor have no: taken the trouble to understand its workings. Action will be taken at once to begin the erection of the building.

Miss Zella Bendura was taken to the hospital suffering from a severe attack of tonsillitis.

F. A. Hoyt will call a meeting of all those who have joined the home guard on Wednesday evening, for organization purposes. Over 30 names were secured and a lively organization is assured.

Mr. and Mrs. A. H. Tarbell and Mr. and Mrs. A. L. Morris were Portland visitors last week. Mr. Tarbell and Mr. Morris attended the joint meeting of the Granges held in the library building on March 26. Mr. Tarbell was appointed Columbia county representative for the purpose of advocating the building of warehouses in every Grange district in the county.

The local branch of the Red Cross will give a pie social and entertainment on Friday night. Mrs. U. F. Baker has appointed a large committee of ladies to look after the details.

Mrs. Brown, of Warren grammar school, spent Sunday with friends in Portland.

The committee of ladies in charge of the bond sale are bending every effort to "go over the top" on the sale of these securities, and every resident of the district is called upon to respond as befits patriotic American citizens. It is the only weapon that Warrentes are called upon to use, and never was there more need for its use than at present. An urgent request is being made to everyone to show their patriotism, and the old "By their deeds you shall know them" is being applied in this supreme effort.

Mrs. T. E. Grewell returned home Sunday, after a two weeks visit with her daughter in Portland.

Perle Grewell and wife and Peter Larson spent Sunday with their father and mother, Mr. and Mrs. K. P. Larsen.
