The month of May has been designated by the National War Council of the Methodist Episcopal church for a great patriote drive, with a series of services culminating with Memorial Sunday, May 26. Every force and agency of the whole country must swing into line to win the war for God and humanity. This community is urged to co-operate with us in this mighty battle against the most relentless and atrocious foe that ever drew the sword.

Next Sunday morning will be given over to a presentation of some of the facts involved in our part of this great work. We must equip and strengthen the hands of our chaplains; care for war orphans and the helpless; fire the zeal and courage of our boys at the front; in short throw ourselves unreservedly into our part of the fight.
