

NATIONAL NEED FOR MORE POULTRY

Meat can be produced from poultry more quickly than from any other source. One of the necessities imposed upon the United States by its entrance into the world war is to produce more meat than it has ever produced before.

BREAD DURING FRENCH REVOLUTION

Thus said Madame de Bourrienne, writing in 1796: "At this time we saw him (Napoleon) almost every day. He frequently came to dine with us. As there was a scarcity of bread and sometimes only two ounces per head daily were distributed in the section, it was customary to request one's guests to bring their own bread, as it could not be procured for money."

UNITED STATES SENATOR CHARLES L. McNARY

Because United States Senator Charles L. McNary has made good he should be nominated to succeed himself in the Republican Primary—May 17th. From the day he became Senator he has loyally championed the prosecution of the war, and during his term of office has accomplished more for Oregon than any other member in Congress in a like period.

HOME CONVENIENCES

"Farm Home Conveniences," a bulletin just issued by the United States department of agriculture, takes as its text "Whatever lessens woman's work benefits the race," and then proceeds to tell how to make housework easier.

OREGON HENS WIN

Reports from the B. C. egg-laying contest for the month ending April 25 show that the O. A. C. pen of Barred Rocks leads not only for the current month but also for the term to date. Their record for the month was 132 eggs for the pen of six hens, and for the term 559. The second best pen laid 535, and the third 528, all Barred Rocks.

Who Was It?

"Behind the altar," said the cathedral guide to a party of tourists, "lies Richard II. In the churchyard outside lies Mary Queen of Scots. And who"—halting above an unmarked flagging in the stone floor and addressing a tourist from London—"who do you think, sir, is a-lying 'ere on this spot?"

When All is Dry

"Well, the world seems to be going dry. Shall we take julep out of the dictionary?" "Leave it in for old-times' sake," counseled the other lexicographer. "Just mark it obsolete."—Kansas City Journal.
