Certificate of Necessity for Increase in State Tax Levy for 1919 STATE OF OREGON

County of Marion

We, the undersigned, constituting the State Tax Commission of Oregon, hereby certify that in our opinion it is necessary to levy an amount of State taxes for the fiscal year 1919 larger by \$940,000.00 than the amount limited by the Constitution of Oregon, unless specifically authorized by vote of the people.

From careful investigation we believe that the proposed specific increase of the State levy of taxes for 1919 is necessary that deficiency debts incurred for maintenance of State institutions and departments may be paid, that increased cost of necessary labor and supplies during the ensuing biennium may be anticipated, that unavoidable obligations in war emergencies may be met and that the credit of the State may be preserved. The amount specified is estimated as equivalent to an average levy of one mill on the dollar of the total essessed valuation of the State for the current year.

WITNESS our hands and the seal of the State Tax Commission this seventeenth day of September, 1918.

Seal of the State Tax Commission Oregon

JAMES WITHYCOMBE, Governor, Chairman. BEN W. OLCOTT, Secretary of State. THOS. B. KAY, State Treasurer. CHAS. V. GALLOWAY, Tax Commissioner

Filed in the office of the Secretary of State. September 17, 1918. Shall the increase of \$940,000.00, as stated in the

foregoing certificate, in the total amount of the State levy of taxes for the year 1919 over the amount otherwise limited by the Constitution of Oregon, be authorized? Vote YES or NO Yes No
