

COLUMBIA CO. ROADS IN BAD CONDITION

H. J. Lechner, county agriculturist who has just returned from an attempt to visit Mist and Birkenfeld in Columbia county, reports that the bad roads start immediately on the other side of the Clatsop county line. He was unable to drive his car over the Columbia county roads so he transacted his business by telephone. The stretch of impassable road is nearly two miles long.—The Astorian Astorian.

J. F. Doppmaier, who has just returned from a trip to the Nehalem, states that the report of the Astorian is correct. It is almost impossible, he says, to get over the road just north of Birkenfeld. A lumber mill, which is doing much hauling over the road, is attempting to bridge the deepest mud holes and with good weather almost due, Mr. Doppmaier thinks the road will soon be passable.

It is the main thoroughfare between Astoria and Portland, and it does not appear that it is good business to have it impassable.

FINE STOCK GOES TO MULTNOMAH COUNTY

G. L. Tarbell of Yankton, recently sold to H. R. Findley of Beaverton, Oregon, a registered Shorthorn bull. Mr. Tarbell makes a specialty of breeding and raising thoroughbred cattle, and the fact that a buyer came from Multnomah county to purchase such stock, is evidence that raising good cattle is a paying proposition. Mr. Tarbell was one of the first of Columbia county's stock raisers to adopt the idea of raising only good cattle and he has been very successful in his venture.

Salary to Swiss President The salary of the president of Switzerland is to \$2200 a year, with an additional \$3900 for expenses.

Dreadful Cough Cured

A severe cold is often followed by rough cough for which Chamberlain's Cough Remedy has proven especially valuable. Mrs. F. W. Olsen, Maryville, Mo., writes "About two years ago my little boy Joan caught a severe cold and coughed dreadfully for days. I tried a number of cough medicines but nothing did him any good until I gave him Chamberlain's Cough Remedy. It relieved his cough right away and before he had finished taking one bottle he was cured. I think it is just fine for children."
