

THE TOGGERY

SPRING OPENING

OUR new spring suits comprise every fashionable model, mens' staple styles and young mens' snappy designs with fancy touches, such as waist seams, slash pockets, military backs and other novelties. All popular fabrics in solid colors and mixtures, you'll like them, because they are well tailored, perfect fit and up-to-the minute

IN the furnishing lines our stock is unusually complete, showing shirts, hats, caps, underwear, ties, hose, gloves and a large variety of other things you need.

We carry a full line of workingmen's clothes at most reasonable prices and invite your inspection.
