SEES RESULTS FROM BOYS' CLUB MONEY

The United States department of agriculture, the state agricultural colleges, and other agencies for the promotion of better farming are spending considerable money in club work among boys.

Does it pay? Here is the opinion of Dr. Thomas F. Hunt, dean and director of the college of agriculture, University of California:

"The college of agriculture did not, in my opinion, get as effective results from any other equal sum of money which it expended as it did from the amount of money spent on boys' clubs.

"These clubs have been running long enough for us to have some knowledge of their influence on the future lives of the boys concerned. I think I am well within the mark when I say that for the amount of money expended we get the greatest human results."

A Job's Comforter

Arkansas Gazette: "We hear that Job Haskins is laid up with chills and he is also afflicted with a few boils. Not a bad combination this; the boils can heat him during the chills."

Always the Same

"There is one original quality of that rib of Adam which has come down to the present day."

"What is that?"

"It has always been a bone of contention."

If you see a small boy climbing carefully over a fence so he won't rip his trousers, you may know he has a Victory Liberty Loan Note in a hip pocket.

J. K. LYNCH, GOVERNOR OF RESERVE BANK, DIES

James K. Lynch, governor of the Twelfth Federal Reserve bank, headquarters of which are in San Francisco, dropped dead on Monday, April 28.

Thed eath in action in the Argonne battle of his son, Lieutenant Lawrence S. Lynch, was a shock that sapped the vitality of the banker, and the emotions aroused by the homecoming of the troops of the 91st division, of which the son had been a meber, was believed contributory to the death.

Mr. Lynch was a veteran banker of San Francisco. Son of James Lynch, pioneer of California of 1846, Mr. Lynch started his banking career with the First National bank here in 1877 as a teller.

If Queen Isabelle could have purchased Victory Liberty Loan Notes she and Columbus could have financed his trip to America without hocking the family jewels.

About Rheumatism.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to suffers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.
