A PLAN TO SAVE YOUR DOLLARS

Beginning tomorrow, November 1st, we will inaugurate a new business policy. It is a plan by which WE WILL HELP YOU REDUCE THE HIGH COST OF LIVING, and enable you to save some of your earnings.

A Money Saving Policy

We are going on strictly cash basis. By selling for cash, we will sell cheaper than the credit prices and you will lower the amount of your grocery bill. For the benefit of those who receive their weekly or semi-monthly pay checks, we have installed the Allison Coupon System, which will give them the benefit of the cash price.

No More Soliciting

We will discontinue soliciting. It costs money to solicit and every time the solicitor calls, it costs from 5 cents to 10 cents. This charge you pay in your grocery bill. We will ask that you use the telephone or place your orders and by so doing, save the cost of soliciting.

Our store is organized along the cooperative plan and by following the system we have outlined, we will better serve our stockholders and customers. We ask your cooperation in this plan to reduce the high cost of living and we believe if you try it out for a month, you will realize the wisdom of the plan and know that YOU WILL SAVE MONEY.
