WORLD'S OLDEST MAN LIVES IN KAINTUCK

Uncle John Shell of Leslie-co, Ky., has had his picture taken at last—age 132 years. He claims to be the world's oldest man—having been born in 1788. Newspaper photographers have snapped him recently—but this picture from a gallery at Louisville—is his first "regular" photo.

HOUSEHOLD HINTS

Salads should be served the day they are prepared. Always use a wooden spoon or fork to stir salad.

To tell good eggs put them in water. If the large ends turn up they are not fresh.

Cold coffee is excelent for ferns of all kinds. Use about once a month.

In cooking tough meat or an old fowl add a pinch of soda to the water to make it tender.

To pack a bottle of liquid for traveling roll it in corrugated paper that comes around "breakables" from the store.

In the kitchen, hanging up, keep a pair of scissors to cup up raisins, citron, suet, etc. They are easier to clean than the chopper and very handy for lots of things.

TOO FOXY FOR COPS AT NATIONAL CAPITAL

A red fox hunt around the U. S. Capitol Building at Washington was one of the excitements of the day recently when Capitol police discovered the animal and gave chase. George M. Green, a passing motorist, captured the prize—then the little fellow was sent back to his home at the National Zoo.

The Best Cough Medicine.

When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Cubrun, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."
