**For the Children**  
 Too much care cannot be exercised  
 in selecting a cough medicine for  
 children. It should be pleasant to  
 take, contain no harmful drug and  
 most effectual in curing their coughs  
 and colds. Long experience has  
 shown that Chamberlain's Cough  
 Remedy meets these conditions. It  
 is a favorite with many mothers.

**Ford**  
 THE UNIVERSAL CAR

**Most Durable on the Road and  
 Simple to Operate**

The operation of a Ford car is so simple that any child can operate with per-  
 fect safety. With gears always in mesh, you can reverse suddenly without  
 stopping, and can not "strip the gear." A screw driver and pliers are all the  
 tools really needed with a Ford.

"The upkeep of the car is almost nothing" because the Ford chassis is made  
 of highest quality vandum steel possible to use in automobiles, regardless of  
 price. The steel is strong, making it possible for the car to be built very  
 light and yet sturdy enough to stand up over all kinds of roads.

Lightness and strength make it the most economical on tires, gas and oil.

Because of these facts 1,250,000 Ford cars will be purchased in 1920 with  
 1,000,000 production. So 250,000 purchasers will be disappointed, unable to  
 secure delivery. Those who really want Ford cars most in 1920 will get  
 them, for they are the ones who will place their orders now. These adver-  
 tisements are intended as a warning to you personally to **ORDER YOUR
