Hints for Swimmers

Tom Robinson, veteran swimming coach, presents these rules for swimmers:

Wait at least an hour after eating before swimming.

Do not go in bathing alone. There is safety in numbers.

Never accept an invitation to ride in a canoe if you cannot swim.

In entering the water keep the hands under so if you step into a hole you can immediately start swimming.

In learning to swim move toward the shore; never swim away from the beach.

Keep out of rough water if you are subject to heart trouble.

Never swim until exhausted. Don't "show off."

If caught in the undertow, try at once to float.

Summer Complaint Quickly Relieved

"About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clerk Mills, N. Y. This is an excellent remedy for colic and diarrhoea and should be kept at hand by every family.

AUBURN Beauty-SIX

Quality Goes Clear Through

On long, hard hills and through heavy going, the Auburn exerts an eager, even-pulling power. It is smooth and quiet in performance and it wrings the last bit of mileage from each drop of gasoline.

The Auburn is a car that earns your good will through its good performance.

It is a very easy-riding car. It does not bump you and jar you on bad roads as many cars do.

It hangs closely to the road bed even when traveling at high speed.

And its average mileage per gallon of gas, quart of oil, and set of tires is distinctly high.

Children's ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.
