A Great Remedy.

The merits of Chamberlain's Colic and Diarrhoea Remedy are well known and appreciated, but there is occasionally a man who had no acquaintance with them and should read the following by F. H. Dear, a hotel man at Dupuyer, Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have since recommended it to my friends."

NEW FILM GRIFFITH ASKS GREAT QUESTION

Will the prayers of American mothers whose boys were killed as a result of the world war be answered? Or will the bereaved motherhood of the world have offered up invocations to nothing more than a mere fancy?

This is the daring thought that D. W. Griffith, master motion picture producer of the world, presents in his latest creation, "The Greatest Question," distributed by First Na-

tional Exhibitors' Circuit and which will be seen at the Liberty theatre, Tuesday and Wednesday, August 10th and 11th.

Never before in the history of screen or stage has this almighty problem been brought face to face with the public, and in a manner that cannot be misinterpreted. Weaving his thought through the meshes of a simple story about farm folk who are deprived of an oldest and favorite son through the great War, Griffith calls for the answer of the greatest question.

We share the hope that while the President of the Irish Republic is wandering on foreign shores his Secretary of State will not usurp his powers by calling any cabinet meetings.—Chicago Tribune.
