HIGHWAY IS GOOD TO CALIFORNIA

Los Gatos, Calif., Sept. 9, 1920.
 C. Morton, St. Helens, Ore.
 Dear Sir: When I left I promised
 you to you, so I guess I will have
 kept my promise. We are all feel-
 ing and hope you are the same.
 The roads are much better than I
 expected them to be. There are a
 few steep grades but in spite of it all
 the roads are fine. It took a week to
 make the trip, a distance of 950
 miles. We all enjoyed the trip and
 were very glad that we took it. With
 regards to you and your family
 and all friends, I remain,
 Yours very truly,
 L. ROSASCO,
 Box 122, Los Gatos, Cal.

HOW TO SELL IT

If you've a house or farm for sale,
 the one has got to tell the tale;
 how many chickens, ducks and pigs,
 how many wagons, sleighs and other rigs,
 how many horses, steers and cows,
 how many mowers, drills and plows,
 and other things about the place,
 and here for want of space,
 tell them where your farm's lo-
 cated
 and at what price it's valued.
 Advertise your shop and benches,
 your grindstone, tools and monkey-
 wrenches—
 arrange your farm contains,
 and how it carries off the rains,
 preventing any chance of floods
 that rot the beans and rot the spuds
 and state what's under cultivation—
 and if you're near a shipping station,
 how much in orchard—age of trees—
 and prove your fruit can never freeze
 how many acres in fall wheat—
 and if you're near the county seat,
 the moral of this little tale
 when you have anything for sale,
 you shouldn't hesitate to tell it.
 Little ads will often sell it!

Luxury and Economy

Luxury and Economy have been combined in the Chevrolet
 "Forty-Nine" Touring Car.
 It has plenty of power; riding comfort and complete equipment
 makes it one of the appealing cars of the year.
 The smartness of lines—the substantial workmanship in the
 upholstery and top—the brilliancy and wearing qualities of finish
 —combine in expressing true car beauty.
 Its one beauty, however, is in its performance ability—the
 beauty of fine mechanical construction.

**Destructive Elements are Attacking
 Your Home, Season in and Season Out**

Protect it NOW with—
FULLER 1849 PAINT

NO house or building, regardless of how well
 constructed, can long withstand the elements
 without the protection of good paint.
 Sunshine, rain, snow, ice and wind; all have their
 harmful effects in one form or another.
 Many old
 structures are
 in better
 condition than
 comparatively
 new ones be-
 cause they
 have been
 preserved
 through the
 use of good
 paint.

Every brushful of FULLER Paint applied to
 your house or building means not only protection
 against destructive elements, but keeps up ap-
 pearances as well.
 FULLER Paint saves a great deal more than it
 costs. 71 years of FULLER Paint-making Ex-
 perience has established a high standard of
 quality.
 Take a few minutes and make a survey of your
 house or building. And remember—there's a
 FULLER Paint or other Product for everything
 that needs preserving or beautifying.
