Bad Cold and Cough Cured by Chamberlain's Remedy.

Several years ago C. D. Glass, Gardiner Me., contracted a severe cold and cough. He tried various medicines but instead of getting well he kept adding to it by contracting fresh colds. Nothing he had taken for it was of any permanent benefit until a druggist advised him to take Chamberlain's Cough Remedy. He says "I was completely cured by this remedy and have since always turned to it when I had a cold and soon find relief."

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

The good, rich, real tobacco taste lasts so long you don't need a fresh chew nearly as often. So it costs you less.
