reason in discussing the matter, but fected by it. ice and now the case should be tried ments about mandates prove, a trustile old days, viz; on its merits, meets with our tee for civilization. It is intolerable "Yes, it's Hughes, all right," com-

Account to appear Defore the U.S. America does not want to own Yap supreme court and ass for an order It only wishes to have the rights there

us merits and technicalities should not be permitted to intervene. linere are two especially good reasons for this, one is that Albers guitt should be settled one way or America the other definitely the same as any All we need to have and to hold charge against anybody. The other it is a same, sure grasp on its simple brick block. is that a marge part of the public and an of the radical public, has the opinion that Albers got his case dis- Paith missed in some way because he had money. That sort of an imputation against the courts is an unnearity tuning for the country. The Courts is an unnearity tuning for the country. The Courts is a unnearity tuning for the country. The Courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the country. The courts is a unnearity tuning for the courts is a unnearity tuning f thing for the country. The Courts life and the foundations of a whole-should have the entire faith of the some social system.

Highway to be put Mosier and Hood River Corvallis to have an people. Their integrity should be beyond question. True, this case did not get to the supreme court, but nevertheless the legal machinery for executing the laws is involved and executing the laws is involved and perity."
those panderers to discontent and Buying radicalism are eagerly grasping the opportunity to say that this is what employment, steady earnings; benethe power of wealth can do Others are hinting at political influence but The call of today is for cheerful regardless of the charge, the skirts thinking, willing working and con the court should be freed by a structive action by you-everybody trial of the case on its merits.

The courts recently emerged triumphant in the Frazier case. When will come about through the con Frazier escaped the clutches of the bined efforts of each and every one law, there were those in Eugene of us. among men whose business and social position should stop them from reflections on the legal machinery who openly stated that Frazier would never go to the penitentlary 'because he had too much money. Nevertheless, Frazier is now in the penitentiary and he is there because of the eternal vigilance of those try, our vision with courage, and whose duty it was to see that justice forge ahead. was legally done.

ing. They are the bulwark of our civilization. There has to be some body recognized as a final authority on what the constitution and the lay of the land is and that body should be incorruptible. Being human, it may err in judgment, but its motives made in the present charter which should not be questioned and its would be better for the city than motives, like the virtue of Caesar's some of the provisions of the preswife, should be above suspicion."

30 MEMORIAL DAY

homage to its hero dead, President which they are now governed. There Harding has issued the following are only twenty-four pages in the Memorial Day proclamation: "Whereas, the nation has been

conceived in prayer and devotion by men and women who were moved under God to fount, a nation where the council with a copy. It might be principles of right should form a wisdom on their part to study the lasting cornerstone, and,
"Whereas, these principles pur-

chased at the price of a great sacrifice have been fostered by worthy posterity; and,

"Now, therefore, I, Warren G patra invented it and that was the Harding, president of the United States of America, do bereby proclaim Monday, the thirtieth of May, a day already freighted with sacred and stimulating memories, a day of public memorial. I invite my fellow citizens fittingly to pay homage on this day to a noble dead who sleep in homeland, beneath the sea or on foreign field, that we who survive enjoy the blessing of peace and happiness, and to that end that liberty and justice, without which no nation can exist, shall live for-

AS TO YAP,

What is Yap? Where is Yap, Why all this yapping between America and Japan? An American reader of the papers is about as puzzled as the luckless Britishers of a generation ago when they received the sad news of the lamented death of the Akhoone of Swat. Not until Punch swatted the subject did they learn whether the Akhoond was a thing or a person.

Vap is an islet in the Pacific "somewhere east o' Suez." It is in the neighborhood of Guam, which is a stepping stone betwen Hawaii and the Philippines, and (like Guam) Yap is valuable as a crossroads of ocean cables in the Pacific. It formerly was owned or occupied by Germany, but during the war possession or occupancy of it was promised to Japan by the European antagonists of Germany, but not by the United
