A Repair That Is NOT A Patch!

A permanent repair; not a makeshift to help you for a few miles.
Quick work, but thoroughness first, is what makes your outlay on an old car an investment and not a speculation.
All examinations free. We will give you, frankly, our advice on whether a repair job is worth while. Our charges are unusually reasonable for high-class work.

—THEN, AND NOW

The meat peddler of the old days, who killed his own live stock and then sold the meat from the tail of a cart, is gone from our larger towns and cities. He was a pioneer and did good service but he couldn't keep up with his job. Crude methods have given way to new ideas in sanitation and distribution.

Our sanitary methods of handling meats is a safeguard against contamination and you are assured of the best the market produces.
