

Why Suffer from Rheumatism?
Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or joints? Rheumatism neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

RECOMMENDS Chamberlain's Tablets

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

CHURCH NOTICES

METHODIST EPISCOPAL CHURCH

"The Friendly Church"
The Children's Day program presented by the Sunday School at the hour of evening service last Sunday was greatly enjoyed by a large crowd. The various parts were very creditably rendered and the effectiveness of the flower messages was increased by beautiful decorations.

Next Sunday morning the pastor will speak on "Our General Rules." We believe this topic will be handled in a manner which will make it of real interest to both members and non-members.

At 8 o'clock we will begin the song service which opens another of our Happy Sunday Evenings. Come! Bring a friend and a smile! Enjoy the evening with us. Special music by the choir and a sermon on "Battleships and World Peace."

PLYMOUTH CONGREGATIONAL CHURCH

Church school at 9.45 a. m.
Morning worship at 11 a. m.
Evening worship at 8 p. m.

Dr. George Hull will preach at both morning and evening service. More adult members of our congregation should take advantage of the Bible class meeting every Sunday at 9.45 a. m. The lessons deal with all phases of the life we live today. Come and bring another with you. The Children's day program was very much enjoyed by all present.

K. K. Clark, Pastor.

YANKTON

Mr. and Mrs. Frank Brown have moved to a farm in Washington.

The Kapple road has been rocked and is now in a very good condition.

Mr. and Mrs. Surbie of Corvallis were Sunday guests of Mrs. James Brooks.

Several realty deals have been made in this locality recently. Among them was the Hankey place and the fifteen-acre tract of Mrs. Effie Brown.

Miss Lottie Thomas and John Fritz, well known residents of this section, were united in marriage at St. Helens on June first. Their many friends here wish them a happy journey over the marital sea.

Marion and Polk counties promise to lead the northwest in the production of hops this year. Marion county has 3229 acres of old hop yards and 1232 acres of new hops. Polk county has 2304 acres of old and 357 of new vines, a total of 7122 acres for the two counties. The total acreage for the state is 8951 acres of old and 2825 acres of new, or 10,840 acres for Oregon.

Dead Men Tell No Tales

—THEN, AND NOW

The meat peddler of the old days, who killed his own live stock and then sold the meat from the tail of a cart, is gone from our larger towns and cities. He was a pioneer and did good service but he couldn't keep up with his job. Crude methods have given way to new ideas in sanitation and distribution.

Our sanitary methods of handling meats is a safeguard against contamination and you are assured of the best the market produces.
