Our Business and Your Business

It is your business to furnish the food. It is your wife's business to make you like it. It's our business to make your wife like the price. We are doing our best to make prices entirely satisfactory to the whole family for we are not reducing the quality or quantity. The buyer of groceries for the home will be pleased with an order placed with this store.

At this season of the year the big question for the housewife is green vegetables. We can answer this without the least trouble. We have everything the market affords in vegetables and fruits.

We are good furnishers.
