Every Telephone Is a Long Distance Station

The Pacific Long Distance Telephone lines are the voice highways of the Coast. Every telephone among the 1,000,000 operated by The Pacific Telephone and Telegraph Company and its connecting companies is in potential connection with every other and can be placed in a dual connection when desired.

This vast system of communication is at the disposal of the business men of the Coast States for commercial use and for personal conversations between far separated friends.

Reach out and get your share of business by the Long Distance way. Keep in touch with relatives and friends over Long Distance. You will find the results gratifying.
