It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside-secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight. And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco. Camels wonderful and exclusive Quality wins on merit alone.
