Barnett who soon leaves for England and Italy to take a special course of study in school work, the ladies of the Congregational Aid Society will hold a reception from 2 to 5 o'clock on Tuesday afternoon at the Congregational church parlor. Attends Washington Fair.—County School Superintendent J. B. Wilkerson who is secretary of the Columbia county fair board, left Thursday afternoon for Chehalis, Washington, to attend the fair being held there. The fair held at Chehalis is recognized as one of the best county fairs held in Washington and Mr. Wilkerson will endeavor to get a line on some additional attractions which he may bring to the Columbia county fair. Stork Belongs Boy.—It is very evident that the stork is favoring St. Helens in the disposition of boys and girls to brighten the homes of happy parents and supply St. Helens with citizens who will in a comparatively short time be the men and women of tomorrow. That the grand old bird shows no favors as to his attention to capitalists, laborers or printers was demonstrated Saturday noon when he called at the residence of Mr. and Mrs. Cecil Kavanagh and left with them a 9-pound boy. Mother and son are getting along nicely, but the proud father who in the "make-up man" at The Mist office, is quite nervous and if there are any mistakes in the setting of the news or ads this week, an indignant public will blame the stork and will realize that Kavanagh has more to think of just now than printing.

Important Industry.—Proprietor Van Gilder of the St. Helens laundry has put into effect a new rate on laundry work. It is a reduction from former prices. Mr. Van Gilder has been conducting the laundry for the past three years and says that he has paid out approximately \$24,000 in wages. During the time when business was rushing he employed 10 people at the laundry and his monthly pay-roll amounted to almost \$800. Now that business is just a little quiet, he employs eight persons, six of whom are women, and his weekly pay-roll amounts to about \$175. The laundry is operated on an eight-hour basis and the minimum wage is 20 cents per hour.
