

FUNERAL HELD ARMISTICE DAY Services for Unidentified Enlisted Soldiers to be America's Tribute to Heroic Dead.

The most impressive and solemn military funeral in the history of the United States will be held in Washington and at Arlington Cemetery, November 11th, the third anniversary of the signing of the armistice. This funeral service will mark the burial of an unidentified enlisted man, one of the 4,765,071 who served in the United States armed forces during the World War.

Body Must be Unknown

The Quartermaster General of the United States army is charged directly with the responsibility of selecting the body from among the unidentified American dead in France. Under orders of the war department the selection must be made so as to preclude any possibility of future identification as to the name, the rank, organization or service of the unknown dead, or the battlefield upon which he fell.

Impressive Military Cortage

At that hour the body will be moved to the amphitheater of the Arlington National Cemetery. The body will be escorted by a battalion of U. S. field artillery, a squadron of U. S. cavalry, a combat regiment of troops composed of one battalion of U. S. sailors and marines and one battalion of the national guard.

Whole Nation to be Silent

In accordance with a proclamation yet to be issued by the President of the United States, all industries and activities of all kinds within the continental limits of the United States will cease from 12 o'clock noon to 12:02 p. m., Eastern time, November 11, during which two minutes all citizens to the United States will be requested to observe silence and to assemble in places of worship to do honor in memory of the dead.

In addition to the military escort the following persons will be invited to attend: (a) All living holders of the Medal of Honor; (b) One representative for every 10,000 enlisted men of the World War, such representatives to be selected by the governors of states and territories; (c) One member of the American Legion from each state and territory; (d) One member from each of the other permanent war veteran societies and organizations; (e) One officer and one enlisted representative from each arm and service of the army and navy.

THE ANNUAL TEACHERS' INSTITUTE

(By C. L. Coffyn)

The Columbia county annual teachers' institute convened in the high school building at Rainier on October 19, 20 and 21, with an enrollment of 132 teachers of the county.

An unusually strong group of instructors was secured for this year and all were thoroughly enjoyed by the teachers. The following instructors were present:

- J. A. Churchill, Superintendent of Public Instruction.
J. F. Brambaugh, Oregon Agricultural College.
Dr. H. D. Sheldon, University of Oregon.
Miss Ida Mae Smith, Oregon Normal School.
S. S. Duncan, County Superintendent of Yamhill County.
H. C. Seymore, State Club Leader.
Miss Elizabeth Hopper, Portland, Oregon.
Frank K. Wells, Portland, Oregon.
W. C. Gauntt, Superintendent of Schools, Rainier.
W. L. Rutherford, Superintendent of Schools, St. Helens.
H. S. Tuttle, Pacific University.

Each had a vital message for the teacher and it was presented in such a way that great benefit was derived.

The program as arranged was an excellent one, and much good will come to the schools of the county through the teachers having access to some of the bigger, better things in education.

Board Dr. Ditto and wife, and Mayor McKay and wife.

The reception room was decorated in Halloween fashion and was beautiful. The evening was spent in different games and entertainments and in getting acquainted. Punch and wafers were served by the domestic science department of the Rainier school. Everyone present reported a very good time.

The people of Rainier saw it that there was plenty of entertainment furnished to the teachers while not at the sessions of the institute, and splendid meals were served at the M. E. church by the ladies auxiliary of the American Legion.

Thursday noon the teachers who had been O. S. N. students met and had lunch together at the M. E. church. Supt. S. S. Duncan, Frank Pimm and Miss Ida Mae Smith spoke at the luncheon. Miss Smith gave an interesting account of the happenings at O. S. N.

The institute closed Friday afternoon in time for the teachers to attend the Rainier-Clatskanie football game.
