YOU don't use as much of Calumet as you do of most other Baking Powders. It has more than ordinary leavening strength. You save about half. You don't pay a big price for Calumet. It's sold at a moderate price—that represents another saving. You don't feel uncertain as to results. Bakings never fail—because Calumet never falls below the proven standard of "Best by Test."

Use only half the amount usually required. CALUMET BAKING POWDER. "BEST BY TEST". It possesses the highest quality ever put into a Baking Powder. Contains only such ingredients as have been officially authorized by United States Food Authorities. For weeks, for months, it keeps as fresh and full of strength as the day it left the Calumet factories, the World's Largest, most Sanitary and Modern Baking Powder plants. Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

LAXATIVE for Aged People. THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action. Chamberlain's Tablets.
