There are now 100 Corps with a total membership of more than 10,000 members, of which 1,276 are sufficiently skilled in the work to act as examiners. CHRISTMAS SALE OF SEAL STAMPS

The fourteenth annual Seal Sale campaign opened on December 1 and will continue until Christmas. The committee who has charge of the work in the St. Helens district hope to dispose of its quota of stamps

with the same enthusiasm as was manifest last year.

The local committee will enlist the services of the school children and expects to put St. Helens over the top with the aid of the children. Much good came to Columbia county during this year as the result of the stamp sales last year and it is hoped that the good record made last year will be as good if not better, this year.

Don't be persuaded to buy poor shoes in order to save money. Poor shoes are the most expensive in the long run. You may be assured of getting honest, leather-built footwear by demanding
