### TRAFFIC HINTS FOR PEDESTRIANS

Justice of the Peace John Philip, in the discharge of the duties of his office, will doubtless be called upon to give numerous hints to autoists as to traffic rules but he does not intend to overlook the pedestrians for the following "Traffic Hints to Pedestrians", so it is stated, were originated by the judge:

Before crossing a street, look both ways to be sure no short-skirted girl is in sight. Then you can watch for automobiles.

Ladies have the right of way. You don't have to give it to them. They HAVE it.

To cross a street, select a position close by a timid-looking flapper with grey stockings and big brown eyes. Any traffic cop will see that she crosses safely.

Should you slip, always fall forward. Remember—better the face than the flask.

Gentlemen should not congregate on a windy corner. Anyway the view is better from across the street.

On wet days, wear non-skid shoes, for if you skid through a jewelry store window, the judge will probably decide to have you equipped with chains.

On rainy days, to protect your eyes from other people's umbrellas, carry one yourself.

### HOUSEHOLD HINTS

To keep the outlets of laundry tubs clean, probe them with a long handled buttonhook to remove the lint that collects therein.

When cutting material on the bias it is the part of wisdom to lay the goods smoothly on a sewing table. Pin, if necessary, so as to avoid any danger from slipping or pulling.

When making cake sometimes we have not the required number of eggs that the recipe calls for. Use three teaspoonsful of baking powder in place of each egg not used, but when substituting baking powder for eggs put in the very least, stirring thoroughly.

### Constipation.

Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipes of your home be kept open and carry off the waste from the house. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed.
