The county agent held a very interesting meeting at Vernonia last week which was attended by 35 or 40 farmers. Orchard managing, spraying, etc., was discussed. Another months, was held at Mist which er meeting was held at Mist which was fairly well attended.

### Out With the Loafers

Have you removed those hens from which you do not want to get hatching eggs from the breeding pen? Remember that this is the season that even the loafers will lay and eggs from them may hatch more poor producers.

#### Beckeepers to Meet.

There will be a county-wide meeting of beekeepers in Clatskanie on Saturday, March 11th, 1:00 p. m. in the high school gymnasium. Prot. Scullen of the Oregon Agricultural college will be present, also the county agent. All persons interested in bee management are urged to attend.

### Spray for Brown Rot.

Where blossom blight, caused by brown rot fungus on cherries, plums, on the 8th day of June, 1921, by the said amounts as follows: prunes, apricots, and certain varieties of pears, has been bad in past years growers should plan to give thorough spraying with Bordeaux 4-4-50 just as the first petals are open 191 ing. Considerable reduction of loss 19 by brown rot has been obtained by 19 using this spray.

### Grain Ration for Cows.

The most economical grain ration 19 to feed dairy cows along with com-mon home grown roughage is composed of corn. 300 pounds, mill run 240 pounds, and cotton seed meal 100 pounds. # LAXATIVE Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Thblets are a favorite with people of middle age and older on account of their gentle action.
