Build With RITE-GRADE Red Cedar Shingles

USE Nature's own really time-tested covering on roof and side walls. Innumerable effects of the utmost distinction and beauty. These specially inspected shingles of Western Red Cedar are low both in first cost and upkeep. They are easy to lay, easy to alter or repair, weather beautifully with or without paint or stain, are warm in winter and cool in summer. Properly laid they last for decades.

Ask your local dealer or send us five cents in stamps for complete data on how to lay and our handsome booklet of national price-winning all-shingle homes.

The Old or the New

I will build your new house or repair the old one and do satisfactory work at a reasonable price. Let me help you plan the new home.
