ACTIVITY NOTICED IN REALTY DEALS

The Rutherford Realty company reports greater activity in the real estate market during the past few weeks and for several months there has been especially good indications for the increased demand for vacant property. Seventeen lots have been sold during the past few weeks to people who expect to erect homes. There is also considerable inquiry for farm land and it is expected that the market for this class of property will soon be much improved. Among the recent sales we report the following: R. L. Burns, the Herman property in Columbia Park; T. M. Martin, the Louise Black Kattel home; A. Tracy, lots in Block 94; Ernest Taylor, lots in Block 94; C. R. Griffin, 19 lots in Block 109; T. T. Laws, house from the Miles estate; Casey Sherman, a 19-acre tract from Joe Dupont; Mike Fresh, 40 acres from John Carlson; Leslie R. Steward, 40 acres from Mike Fresh; Warren C. Troyer, lots in Block 57 from Columbia County Real Estate Co.; Katherine E. Goodwin, the Golden Starr Scott home; Golden Starr Scott, lot from Mrs. Allen.

CHANTERS HAVE ENJOYABLE DANCE

The first of the after Easter dances was given by the St. Helens Chanters at the American Legion hall Tuesday night and was attended by a large crowd, quite a number being from nearby towns. The chanters' orchestra furnished the music which was augmented by the megaphone chorus. The combination of orchestra music and vocal music was pleasing and the dancers showed their appreciation by hearty and repeated applause.

A. L. Fuller, cashier of the Rainier State bank, was a St. Helens visitor and attended the chanters dance.

Spick and span or shabby-which?

A paint-worn, "rusty" house is an eyesore to any neighborhood. You can make your home spick and span—truly a delight to the eye—by the judicious use of B-H Paints.

Paints of real character—permanent preservatives for woodwork of all sorts—a sure insurance against decay.

A little higher in price than the cheap kinds, but B-H Paints last twice as long so are far more economical in the end.
