WILLARD T. EVENSON

Republican Candidate for Nomination for Representative, Twentieth Representative District, comprising Columbia County.

To the Republicans of Columbia County:

In presenting myself as a candidate for representative, I invite your attention to my qualifications; a graduate of Leland Stanford University with the degree of A. B. in law 1917, served as District Accounting Officer, Air Service (Production) with station at Seattle, Washington, during the late war, and during the past year and at present I am serving as president of the council of Clatskanie. In addition to the above my business experience has covered several years.

If nominated and elected my policy will be not more taxes, but less and more returns to the taxpayers for what they pay in. I believe that all the extra governmental agencies which we have adopted during the last fifteen years should now be referred to the people again for approval or rejection upon the basis of their experience with these agencies, and I will use my best efforts to have this done. In this connection it is of interest to note that during the past fifteen years taxes for state purposes have increased from approximately \$625,000.00 to \$9,250,000.00, or about 1,500 per cent as against an increase of about 35 per cent in population.

VOTE FOR REPUBLICAN CANDIDATE

BEAN
For Governor

Synopsis of His Platform:

Abolish commissions. Adopt cabinet form of government. Cut out duplications, waste and extravagance.

In come tax on those sources of wealth not on tax-roll. Reduce real property tax by amount so raised.

Maintain educational facilities under strict supervision of expenditures—applying business principles.

Oppose land ownership or control by Orientals. Oppose further increase of auto or gasoline taxes. Oppose issuance of further bonds or increase of state's debt.

Stand unequivocally for more efficient business administration; retrenchment in public expenditures—substantial reduction of taxes—supervision that supervises and economy without "con." I am for open business-like administration and against invisible manipulation of government.

LOUIS E. BEAN.

Elect IKE PATTERSON
REPUBLICAN NOMINEE FOR **GOVERNOR**
at the primaries Friday, May 19.

He is a man of rare personality and proved executive ability. Here, briefly, is his story: Isaac Lee Patterson was born in Benton County, Oregon, in 1859. Attended country schools and worked his way through Christian College, Monmouth. Became a successful merchant in Salem. In 1894 was elected State Senator from Marion County. In 1898 was appointed Collector of Customs at Portland, by President McKinley; re-appointed by President Roosevelt in 1902.

A Record of Achievement

WHILE he was collector, the business of Mr. Patterson's office practically doubled yet he reduced the cost of running his office by \$6,380 a year. Since 1906 has been a successful farmer at Eola, Polk County. In 1919 and 1921 served as State Senator from Polk County. As chairman of Senate Finance Committee led the fight against wholesale salary increase bills and defeated most of them. In 1921 voted against increasing Governor's salary.

Vote for Patterson and Stop this Wastel!

Since 1913 State taxes have increased 748.7 per cent! This gross extravagance must be stopped! Mr. Patterson has pledged that when elected he will make a substantial decrease in your state taxes by efficient and economical administration. A vote for Senator Patterson is a vote for clean, economical business-like government.

SENATOR THOS. F. RYAN FOR STATE TREASURER

WHAT OTHERS SAY:

With Judge Ryan as state treasurer the people would be assured that the affairs of the office would be administered honestly and economically, that every dollar would be protected and that the disgrace put upon the state by Mr. Hoff would be wiped out. Mr. Ryan's record is absolutely clean.—Portland Telegram.

Neither investor, nor guardian of public funds, nor as economist nor as administrator has Mr. Hoff earned reelection. His opponent, Thomas F. Ryan, of Oregon City, was for eight years assistant state treasurer and his qualifications for office seem superior to those of Mr. Hoff's.—The Capital Journal, Salem.

Dear Mr. Ryan:

"The result of my investigation of the office of State Treasurer is so eminently satisfactory that I wish to express my appreciation of finding an office where such a magnitude of business is transacted, conducted in the manner you are now and have been handling the office of Treasurer of the state of Oregon for the time you have acted as deputy. No man I know of in Oregon is better fitted to fill the position of Treasurer than yourself and I believe the voters will show their faith in you by electing you to the position."—R. E. Pinney, Auditor and Adjuster of Official Bonds of State Treasurer.

Competency in the office of State Treasurer is too grave a matter to be set aside in the interests of party or class. The Oregonian believes strongly that Mr. Hoff, whatever his other attributes may be, is not sufficiently versed in business matters to be continued in his present trust and that Mr. Ryan should be nominated.—The Oregonian.

Judge Thomas F. Ryan and O. P. Hoff, present state treasurer, are the two candidates for the Republican nomination to this office, and Hoff's administration is the principal issue. Ryan is making the race on his record as assistant state treasurer under Former State Treasurer Thomas B. Kay, and a platform of constructive policies. Hoff's administration was subjected to a special grand jury investigation in the spring of 1920 resulting in the jury severely condemning his policy of purchasing bonds from Morris Brothers with state funds at stuffed premium prices. It enabled the bonding firm to realize nearly \$100,000 in excess profits.—Portland Telegram.

A sum of \$150,000 of state funds is on deposit with the State bank that closed its doors today. The State Bank of Portland is carrying a larger amount of state funds on deposit than any other bank in the city. The state treasurer has a son employed in this institution. Let us retire Mr. Hoff and have a thorough investigation of this important office in all matters, as well as the work connected with investments made of trust funds.—Chas. Cooney, Secretary Oregon Scenic Association.

(Paid Adv. Ryan for Treasurer Club. Hal E. Ross, Secy., Oregon City, Oregon.)

CARD OF THANKS.

I wish to thank the good people of Warren community for their kind assistance when my barn burned down and for the collection taken up for me.—Charles Kohlstrand, Warren, Oregon.

The man who wants but little here below is not apt to get much.
