RALPH E. WILLIAMS Hires Orientals While Hundreds of Ex-Service Men Need Work President of Disabled Veterans' Auxiliary Scores Williams

Mrs. George L. Williams, president of the Disabled Veterans' Auxiliary, addressed a letter to Ralph E. Williams, Republican National Committeersan, last Thursday, demanding an explanation as to why he employs Oriental labor in his hop yards at a time when many ex-service men are jobless. Williams is one of the largest hop dealers in Oregon.

Mrs. Williams' letter follows:

DISABLED VETERANS' AUXILIARY

Portland, Ore., May 11, 1922.

Portland, Oregon. Dear Sir. Positive evidence having come to my knowledge that you employ Oriental labor in your hop yards, while hundreds of unemployed war veterans and other American citizens are vainly seeking work, I have felt it my duty as president of the Disabled Veterans' Auxiliary to inquire your reasons for this attitude

Controlling, as you do, the stock in several banks and ranking as one of Portland's wealthy men, there would appear to be no financial reason why you should not employ at a reasonable wage your fellow American citizens who need work to support them selves and dependents, and exclude all Oriental labor.

One feature that has impressed itself forcibly upon my attention is the fact that the example set by you is one that may influence other employers. You are not merely a private citizen. You are the Republican National Committeeman and, as such, the head of the party organization in this state and you therefore owe it to the Republican of Oregon to furnish by your own conduct a correct example for other

I have no racial prejudice against Orientals. I simply feel that the unemployment problem since the armistice has become so acute that our own American folk should be taken care of to the entire exclusion of Oriental labor. You are a wealthy man and can easily afford to employ American help at proper wages.

Yours very truly, MRS. GEO. L. WILLIAMS, President, Disabled Veterans' Auxiliary.
