ROSE FESTIVAL PROGRAM COMPLETE

Tuesday, June 20, the opening day of the 1922 Portland Rose festival will witness the arrival and coronation of Queen Harriet. The crowning of the queen in beautiful Laurerhurst park will be one of the most impressive ceremonies of the entire week. Included among this day's events will be the official opening of the festival center and the Rose show at the armory.

The annual regatta on the Willamette river, a four-hour program, participated in by motor boats, racing shells and other water craft will be the chief event of Wednesday, June 21. The U. S. S. Connecticut and six destroyers—the Chauncey, John Francis Burns, Percival, Fuller, Somers and Farragut—will be the honored visitors in Portland harbor for Rose festival week. The crews from the various destroyers will participate in the water sports on Wednesday.

Perhaps the most spectacular feature of the events scheduled for Thursday evening, June 22, will be the attack on a pioneer wagon train by 500 Indian braves. Red men from all over the state and from Washington are being called by the Great Sachem P. P. Fisher for this event. On Thursday afternoon the Olympics at Multnomah field, Portland's natural amphitheatre, will draw thousands of interested spectators. Teams representing the Olympic, Multnomah and other far-named athletic clubs of the Pacific Coast will compete in championship events.

The grand floral parade, the most important feature of the Rose festival, will take place on Friday afternoon, June 23. Over 200 beautiful decorated vehicles representative of municipalities of the entire Pacific Coast and British Columbia will participate in the parade. Never has such a widespread interest been evidenced in Portland's annual rose show.

The Oregon sportsman-tourist exhibit, presented for the first time by the Portland Chamber of Commerce, to portray to our visitors as well as to residents of the city the scenic beauties and facilities for outdoor recreation of the great Northwest, will be a great point of interest all through the week. Housed in the same building, The Armory, will be the rose show. Rose culturists from all over the state will compete for honors in an exhibit of the choicest roses grown in the world. A distinctively new feature of the Rose show will be the district Rose exhibit, where the various residential sections of the city will compete for highest honors. A beautiful silver trophy for this event has been offered by the Oregonian.

The stock show to be held at the Grange hall Saturday promises to be good. Quite a number of good cattle will be brought. The calf clubs are to bring their calves and the children's judging is always interesting.

Why Suffer With Rheumatism? Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

YANKTON

School meeting next Monday evening. A director and clerk to be elected.

Guy Tarbell, who has a road contract near Rainier, was home for the week end.

Misess Lisenberg and Esther Briggs were elected delegates to attend the Sunday school convention.

Miss Enid Tarbell, also May and Larry are spending the week visiting relatives near Rainier.

The dance held at the Geo. Barger home last Saturday night was enjoyed by all present. The next one will be held at the Clarence Maesten home.

Brimm & Sons have a large crew picking strawberries. Their first shipment was more than a ton of berries. Yankton is certainly the place to raise fine strawberries and raspberries.

Mr. and Mrs. Harry Howard came up from Aply Sunday to visit relatives and get some strawberries.

Our Sunday school is raising funds to repair the church, also to put a new fence around the cemetery. The Young Ladies' class will have a stand near the Grange hall Saturday where they will sell ice cream. The proceeds to be their bit toward the repairs.

BURNETT SAYS HE COULD NOT HOLD HIS JOB

Forced to Give Up Several Positions on Account of Rheumatism—Praises Tanlac for His Complete Recovery.

"I couldn't hold down a steady job on account of rheumatism and had to give up several places, but since taking Tanlac I never have an ache or a pain in my body," declared E. J. Burnett, 2914 45th Ave., Southeast, Portland, Ore., machinist for the Singer Sewing Machine Co.

"Rheumatism and stomach trouble held me down for ten years and I never expected to see a well day again. My neck pained me so bad that sometimes I couldn't turn my head without moving my whole body and I had severe pains all through my shoulders. My legs hurt me so bad I was often unable to walk a step and had to take to my bed. My stomach got so badly out of order that what little I did force down disagreed with me.

"Tanlac went straight after my troubles and now I don't believe there is a trace of rheumatism left. I can hardly get enough to eat, sleep fine and do as big a day's work as ever. I certainly recommend Tanlac highly."

Tanlac is sold by all good druggists.

"Smile Week" was all right, but to smile weakly is all wrong.

Speaking Directly Into the Transmitter

Clearness and distinctness of speech is of course the foundation of a satisfactory telephone conversation.

The transmitter of the telephone is the result of years of study and experimentation by telephone engineers. It is of delicate adjustment and its fullest effectiveness can only be obtained through proper use.

The lips should not be more than an inch from the transmitter, and the voice should be clear, not loud.

Speak directly and distinctly into the mouthpiece. This will mean your satisfaction and that of the person with whom you are talking.

Ford

THE UNIVERSAL CAR

Attention FORD Owners!

Ford parts, like almost everything else worth while, are counterfeited. Imitation parts are manufactured to SELL at the highest possible rate of profit and the grades of steel used are consequently not the same high quality, specially heat-treated alloy steels specified in Ford formulas for the manufacture of GENUINE FORD PARTS.

Don't be misled—Insist upon GENUINE FORD PARTS made by the Ford Motor Company. By so doing you will get from 35 to 100 per cent more wear from them, and you will pay the lowest possible cost—the same everywhere.
