

BREEDERS WOULD
COP ALL HONORS

Progressive Breeders Now Hold Seven
of Eight Highest Places;
Not on Trail of Eighth.

Sir Laurence's pursuit of the holy
grail was not more thrilling than the
chase of the Oregon Jersey breeders
after the last of the eight honor
records.

Of the eight classes recognized
by the American Jersey Cattle club
Oregon holds seven world records,
said Horace Addie, field editor of
the Oregon Farmer. "These are all
except the senior 3-year-old, and
Pickford brothers of Marion have a
heifer now going on test at a clip
that promises to bring that record
to Oregon."

Of these record cows St. Mawes
Lad's Lady, bred as senior yearling
by Harry D. Hiff, of Independence,
with a record of 829 pounds of fat,
is considered the most wonderful.
She is now owned by S. J. McKee,
Independence, who has other daugh-
ters of her sire on test that will
soon make for him a gold medal
bull.

Another wonder cow is Viva La-
France, the only Jersey with two
records of more than 1000 pounds
of fat a year—1930 and 1931 in
consecutive years. She also made a
senior 4-year-old record. She is
owned by Pickford brothers who also
own Lady Siken Crow, 1040 pounds
of fat, and Old Man's Darling 2d,
senior 4-year-old. This is the only
Jersey herd in the world with two
cows making more than 1000 pounds
of fat on official test.

The McArthur and Stauff of Rick-
ard herd has a gold medal bull,
Holger, with 23 daughters that aver-
aged 614 pounds of fat on official
test, the highest average of all Jer-
seys with 20 or more tested daugh-
ters.

This record was taken from an-
other Oregon breeder, Ed Carey of
Carlton, whose herd some years ago
had 20 tested daughters of St.
Mawes, averaging 601 pounds of fat.
Carey has also the unique record
of using two gold medal bulls on his
herd in one period, something no
other herd in the United States has
ever done. One gold medal bull,
Roscoe's Olga Lad, has eight gold
medal daughters, more than any
other in the entire west. Four
daughters of St. Mawes full sisters,
have another record with an average
of 725 pounds of fat, one of which
has five registered merit daughters,
three of them gold medal and four
of them averaging 714 pounds.

G. G. Hewitt's herd at Monmouth
has Rhina Lad, sire of Lad's Iota,
world record cow for all ages with
a record of 1048 pounds of fat. She
was record junior 4-year-old at one
time. She is now owned by S. J.
McKee. Hewitt has five of her
daughters now gold medal. Rhina
Lad is full brother to Holger and
these two are the only two full
brother gold medal bulls in the
world.

Recommends Chamberlain's Tablets.
"Chamberlain's Tablets have been
used by my husband and myself off
and on for the past five years. When
my husband goes away from home he
always takes a bottle of them along
with him. Whenever I have that
heavy feeling after eating, or feel
ill and played out, I take one or
two of Chamberlain's Tablets and
they fix me up fine," writes Mrs.
Norton Vreeland, Minoa, N. Y. Take
these tablets when troubled with
constipation or indigestion and they
will do you good.

Catarrhal Deafness Cannot Be Cured
by local applications as they cannot reach
the diseased portion of the ear. There is
only one way to cure Catarrhal Deafness,
and that is by a constitutional remedy.
HALL'S CATARRH MEDICINE acts
through the blood on the mucous sur-
faces of the system. Catarrhal Deafness is
caused by an inflamed condition of the
mucous lining of the Eustachian Tube.
When this tube is inflamed you have a
rumbling sound or imperfect hearing, and
when it is entirely closed, Deafness is the
result. Unless the inflammation can be re-
duced and this tube restored to its nor-
mal condition, hearing may be destroyed
forever. Many cases of Deafness are
caused by Catarrh, which is an inflamed
condition of the Mucous Surfaces.
ONE HUNDRED DOLLARS for any
case of Catarrhal Deafness that cannot
be cured by HALL'S CATARRH
MEDICINE.
