Biliousness and Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally," writes Mrs. Rosa Potts, Birmingham, Ala.

A New Tread - a Lower Price Reliable Goodyear Quality

Here is a new Goodyear Cord Tire—a big, sturdy, long-wearing tire—that sells at a price lower than you are asked to pay for many "long discount" tires of unknown value.

It has a different tread from the famous Goodyear All-Weather Tread Cord—a new tread with a deep, clean-cut, cog-like pattern—and it sells for from 20 to 25% less.

It has in it the same high-grade long-staple cotton, the same Goodyear patented group-ply construction, the same liberally oversized dimensions.

When you buy the 4 1/2-inch size, for example, you get a tire whose actual measurement is nearly 5 inches.

Don't confuse this Goodyear Cross-Rib Tread Cord with other popular-price cords which sell at the same price or for slightly more.

In many cases, these other cords are made of inferior materials, with short-staple cotton as a foundation.

Get the tire that is good enough to carry the Goodyear name, that is built to safeguard the world-wide Goodyear reputation.

All of the Goodyear Service Station Dealers listed here have the Goodyear Cross-Rib Tread Cord, as well as the famous All-Weather Tread Cord, ready for you now.

Compare these prices with NET prices you are asked to pay for "long discount" tires

30 x 3 1/4 Clincher	\$13.50	32 x 4 Straight Side	\$25.45	33 x 4 1/2 Straight Side	\$32.15
30 x 3 1/4 Straight Side	15.85	33 x 4 Straight Side	26.80	34 x 4 1/2 Straight Side	32.95
32 x 3 1/4 Straight Side	19.75	34 x 4 Straight Side	27.65	33 x 5 Straight Side	39.10
31 x 4 Straight Side	23.50	32 x 4 1/2 Straight Side	31.45	35 x 5 Straight Side	41.05

These prices include manufacturer's excise tax

Goodyear Cross-Rib Tread Cord Tires are also made in 6, 7 and 8 inch sizes for trucks
