Don't Forget Your Sweet Tooth--

It's your daily inducement to eat more of your best food.

Sugar is your gilt-edge invitation, issued three times each day, urging you to eat BREAD.

The value of this quality cannot be overestimated for it makes possible the ability to eat BREAD three times a day, every day in the year, without ever tiring of it.

GOOD BREAD contains cane sugar, pure and refined, in just the right amount to make you want to eat more today than yesterday, for increased energy creates a greater appetite for nourishing, wholesome food—the best there is—which only WHITE BREAD can supply.
