HE'S SOUND AS A NEW DOLLAR STATES PEPPES

Has Gained Thirteen Pounds Taking Tanlac and Hasn't a Sign of Rheumatism or Stomach Trouble Left.

"I have gained thirteen pounds since taking Tanlac and I am feeling as fine as I ever did in my life," said John Peppes, 1193 So. Vanhoë St., Portland, Oregon.

"My health failed over a year ago and my stomach was so upset the pains and cramps would nearly draw me double. Many times I woke up at night from pains and would be in misery for hours. After eating I always felt nauseated and could hardly breathe. My liver was sluggish, constipation bothered me all the time and I suffered terribly with the rheumatism in my shoulders. I lost lots of weight and became extremely weak and ran run down.

"Tanlac went straight after my troubles and today I eat anything I want, my liver never troubles me and the rheumatism has left my shoulders; in fact, I am as sound as a dollar. It's a pleasure to recommend Tanlac."

Tanlac is sold by all good druggists.

FOREST FIRES CHECKED.

The forest fires that have been raging in Clatsop county during the past two weeks in the logged-off tracts, have been practically brought under control, according to word from the several camps where the fires have been doing the most damage. The large force of men has kept the fires in the clearing and as a result very little valuable timber has been injured. The heavy fog from the sea aided the fire fighters
