O'MALLEY ASKS QUESTION.

St. Helens, Ore., Sept. 27, 1922 Editor St. Helens Mist.

Dear Sir: I would like to say a ew words in regard to our business our own home town There was a ig holler when the Rainier men ame here and took the work and noney away from our home people. so now the Portland business people lave their busses in and out of St. Helens taking the tailors' work that loaf sugar is used in the manufacs and keep the money in town. Our edy and the roots used in its prepown tailors live here and should be ration give it a flavor similar to material in preference to outside maple syrup, making it quite pleas-mileitors who never leave a dollar ant to take. This is of much im-

Catarrh Cannot Be Cured

Catarrh Cannot Be Cured
by Local APPLICATIONS, as they
cannot reach the seat of the disease.
Catarrh is a local disease, greatly influenced by constitutional conditions. HALL'S
CATARRH MEDICINE will cure catarrh
it is taken internally and acts through
the Blood on the Mucous Surfaces of the
System. HALL'S CATARRH MEDICINE
is composed of some of the best tonics
known, combined with some of the best
blood purifiers. The perfect combination
of the ingredients in HALL'S CATARRH
MEDICINE is what produces such wonderful results in catarrhal conditions.

Farmers and Dairymen--

WE HAVE RECEIVED ANOTHER CAR LOAD OF MIXED FEED. WE CONTRACTED FOR THIS SOME TIME AGO AND THE PRICE IS RIGHT. PLENTY OF THE BEST ALFALFA HAY ON HAND.

Your Winter Fuel Supply

Have you laid it in or are you waiting until it gets real cold bet ore you think the house would be more comfortable if the heater or furnace was running full blast? We believe you will feel better satisfied if you have several tons of ROCK SPRINGS. WYOMING LUMP COAL in the basement and when cold weather does come you can say, "Let it come, I am prepared."

Place Your Order Now

We have an abundant supply of coal on our dock and will make prompt delivery. We are satisfied you will find it more economical to use coal than wood in either the stove, furnace or heater. A few lumps of coal thrown into the furnace or heater in the evening will keep a slow, steady fire and the house will be comfortable when you arise in the morning.

ROCK SPRINGS LUMP COAL is not screenings. It is just what we say-LUMP COAL for the smallest lump is four to five inches in size, with the possible exception of a small percentage caused by breakage in transit. We repeat and want to emphasize the fact that It would be wise on your part to order your fuel supply NOW.

You will be Satisfied with Rock Springs Coai
