

PUBLIC FORUM

COMPULSORY EDUCATIONAL BILL

Yankton, Ore., Oct. 14, 1922

The advertisement appearing in The Mist of October 12, sums up its findings as follows:

Children must not under any circumstances be divided into social classes, be divided into antagonistic groups, there to be taught the narrow views of life as they are taught. If they are so divided they will find out citizenship concepts and made up of cliques, cults and factions, each striving not for the good of the whole, but for the good of themselves. A dividend can be more successful than a divided path.

The amendment in question was introduced and sponsored by the Senator and a clique within the Legislature. They have an ally the Ku Klux Klan.

This is an initiative measure and the initiative idea is to make legislation easy for cliques, cults and factions as they are called.

It was taught in the public school that the reformation in modern civilization and the reformation was brought about by cliques, cults and factions. Many of our schools and even high schools have Greek letter societies.

These are not found in Catholic schools or colleges which the measure would affect.

The intended effect of this amendment is to strengthen the cliques, cults and factions that are behind and not to promote harmony.

Sincerely,
JOHN DOWD

TAXPAYER DEMONSTRATES

St. Helens, Oregon, Oct. 18

Dear Sir: As one of the large taxpayers of the city of St. Helens I am one who is interested in and who is in fact pay.

On behalf of the "Ladies' Auxiliary of the Ancient Order of Rolling Mills" (own, Seagalese Tribe, No. 1) a request was made to the city council for the use of the city hall for the purpose of a lecture by Mrs. Gump, Seagalese wife of A. Gump, the candidate who is running for the people and wears a man's collar, to appear before this representative body of women.

I am informed that the request has given little consideration and that the mayor and the council had not the hall was not for the purpose of political meetings and could not be used for a political "bug house."

I understand, also, that Councilman McDonald objected to the ruling of the mayor and stated that inasmuch as the hall was the property of the people, any speaker who was to appear for the people should be on the same.

I also understand that Councilman O'Connor of West St. Helens and that West St. Helens should have the privilege of hearing Mrs. Gump and his portion of the town should be as much favored as the downtown section of St. Helens.

Councilman Barnett was very inquisitive over the matter. I hear, stating that the school children were watching and watching the actions of the city council, endeavoring to learn something about civics, and that it might leave a bad impression, and the Councilman Brower objected on the amount that Mrs. Gump had only her letters in her name.

Now, this deplorable condition should not exist for any wife of any candidate should be referred to the speed cup.

Yours for justice,
A TAXPAYER OF ST. HELENS.

GREEK REFUGES FLEE FROM SMYRNA

This photo, taken just before the occupation of Smyrna by the victorious Kemalist army, and breaking out of the disastrous fire which practically leveled this important commercial town to the ground, shows remnants of the shattered Greek army and post-striken refugees crowding the wharf, awaiting transportation back to the homeland.

A Good Word for Chamberlain's Cough Remedy

Those who have used this preparation and know from their own experience that it is a medicine of real worth and merit do not hesitate about speaking a good word for it. Edward Lewis, Minn., N. The School Monopoly Bill has a misleading name!

YOU have an interest in schools? Then be sure to understand the true meaning of the School Monopoly Bill which is called on the ballot the Compulsory Education Bill.

The reason that this name is misleading is because we already have compulsory education under the present existing law, and we already have compulsory teaching in English in all schools.

What this bill really proposes is to substitute state control over the education of your children for your control.

The people of Michigan have already overwhelmingly defeated this measure, because it attacked the freedom of education.

Protect your rights which are being endangered — do not be misled by the name of this bill. Read the proposed bill carefully. Read the campaign literature. Find out the intent of the bill which is disguised by the title.

You will find that that they propose school monopoly. A hidden attack upon freedom of education.
