raising very rapidly, and the indications are that the dairymen along the bottoms and on Sauvies Island will rapid rise in the river.

Carpenters have been busily engaged this week putting up the last week in St. Helens, and left Fri. an international monetary conference, purposes as required by the Australian county in the interest of the county ballot law, which will be tried for the clerkship. first time in Oregon, next Monday.

St. Helens is noted for dogs bowling, cowbells ringing all night long, Girt and Mollie Wilson, of Rainler, and beisterous small boys (and some not so small.) The city fathers should dett. put a quietus on cows roaming the streets carrying a chorus of bells at night. It is a great annoyance to the a few days ago, but has so far iminhabitants of the place.

It seems to us that if the authorities at Hillabers would do their duty they would commit the editor of the democrat to the saylum until he gained, at least, partial consciousness. Of course first meeting in their newly decorated he cannot be blaned for his ignorance hall in St. Helens tomorrow evening. rational editor would not polute his columns with such trash as "Marinda Talks" and "Uncle Sam."

Mr. B. K. Searcy and wife, of Gilliam county, Eastern Oregon, are visiting relatives at St. Helens and Gillton Mr. Searcy is a brother of Mrs. J. R Beegle, of Gillton, and has been visiting Astoria, Albany, and other parts of the Willamette valley for the past few weeks. They leave today for their home in Gilliam county.

The prizefight between Peter Jackson, colored, and Frank Slavin for the championship of Australia, which tookhilace in London Monday night was declared in the former's favor at the close of the tenth round. Slavin was not "in it" at all from the beginning. The fight was for a purse of \$10,000, which was easily won by

Jackson. The court is advertising for sealed bils to construct a bridge across Drew, to contain the greatest amount Milton creek at Houlton, This is a step in the right direction, as it would accommodate a large number of peo- Hence this powder is officially ranked ple, not only in that immediate lo-cality but those coming in from the The report attaches great im-Nehalem also.
