## THE OREGON MIST.

## United States and County Official Paper

## ST. HELENS, JULY 22, 1892.

LOCAL AND GENERAL.

town Tuesday.

goods at Mrs. Colburn's.

Mr. Lee Perry, of Oswego, was on our streets last Sunday.

G. W. Shaver, of Albina, paid St. Helons a business visit Monday.

Secretary McBride arrived in town Wednesday evening for a short stay.

8. G. Custus, of Bay City. Or., paid THE MIST office a pleasant call last Friday.

will preach in St. Helens on Saturday evening next. stubs of the injured members. The other horse had three legs broken and evening next.

Muss Mamie Dart, of Slaughter, Wash, is visiting her father, James Dart, of this place.

E. H. Flagg, of the Marion County E. H. Flagg, of the Marion County bemoerat, was a caller at THE MIST bemoerat, was a caller at THE MIST Democrat, was a caller at THE MIST office Tuesday.

The little steamer Rowens took another scow load of rock from this place to Portland on Sunday last.

When you are in need of blank notebooks, call at THE MIST office. Price, 50 cents.

Now is the golden opportunity to get ladies' and children's hats at cost at Mrs. Colburn's.

Mrs. J. R. Watts, of Scappoose, vis-ited with her daughter and son in-law, Mr. and Mrs. N. A. Porry, at Houlton Orrin A. Wo last Sunday.

Mr. H. B. Borthwick, we understand, came near being drowned in the Clatskanie river last Sunday by fulling off a raft of logs.

A marriage license was issued by the county clerk last Saturday to Mrs. Anna Lengacher and F. A. Bucher; all of this county.

A company has been organized which proposes to spend \$2,500,000 in improvements in Oregon City in elec-tric light plants.

We learn of the supposed elopment at Gillton last Saturday, the parties being a young man by the name of Cooper and Miss Maggie Slavens.

The charter for the Odd Fellows' lodge in St. Helens, has been granted by the Grand lodge, and as soon as blanks, etc. arrive the lodge will proceed to business.

Mr. Charles Mesorve and wife, of the Oregon City Euterprise, spent Sun-day in St Helens the guest of Judge and Mrs. D. J. Switzer, returning home on Monday.

Dr. William Griswold, dentist, of Dr. William Griswold, dentist, of Portland, is at the Grissatal hotel for a Tew days. Those in need of dental the days. Those in need of dental the mind better than those meetings, few days. Those in need of dental work should call on him as he is a first-class workman.

Constable Carter, who captured Wilsou the Mamie Walsh murderer, is ly-ing at the point of death from the effects of blood-poisoning caused from a fects of blood-poisoning caused from a bas hewed a five farm out of the heavy timber and is now able to stay at home to reap the reward of his labor.

We have received from Supt. T. J. COUNTY COURT. Cleston a copy of the programme for the county institute for teachers, to be Proceedings of the July Termheld at Clatskanie, commencing Au-

held at Clatskante, commencing Au-gust 1, and lasting one week. As the programme indicates the affair will be worthy the attendance of all those in-the strength of the Union presidet. leading institute instructors of the

Weather and Crop Bulletin. For the week ending Tuesday, July 19. WESTEMN OREGON Weather .-- The mean temperature has anged from 60 to 70 degrees, which is from three to five degrees a day below the average. The weather has been partly cloudy, and the average sunshine has not prevailed. Showers occurred on the 15th and general rains on the 16th, except in parts of Jackson 1 50 county where no rain fell. The amounts of 1 50 rainfall are, Clatsop county 0.83, Multno-75 mah 0.57, Marion 0.52, Douglas 0.27, Jose-

phine 0.11, northern Jackson county from Crops .- The rain was of great benefit, especially to late-sown gtain; to corn and garden truck ; while in portions of the coast counties it did some damage to hay. A continuation of the present weather will prove of great value to the late-nown grain. General Jewelry Alley, A J, viewers Anderson road. 3 00 Wilson, C, lumber furnished road 20 per cent. less than last year, unless it should turn out far beyond of what it at 6 80 present indicates. Haying is about over and a good crop has been secured. Hops 800 00 are not promising extra well; they have not the growth they should have; the lice are 7 00 present and develop under the present 7 00 weather conditions, but so far no damage 7 20 has been done. The first shipment of peaches was made from Ashland on the 16th inst. which was ten days later than
