extensive improvements near Washing-ton, D. C., and reduce the running time to New York to four and one-half hours.

The assessed valuation of the coal lands of Schuylkill county, Penn., has been definitely settled by the County Commissioners, who place them at \$16,-

604 756. Richard Mansfield complains that Boston, instead of criticising his acting, found fault with his legs. He thinks Chicago is intellectually superior to Boston.

New York's Board of Aldermen pro-poses to pass an ordinance which will render unlawful the driving of steers, bulls or cattle through the streets of the metropolis.

If the prohibition bill should pass the South Carolina Legislature, a Charles-ton brewing firm, whose charter lasts seventeen years, will have a monopoly of the business in the State.

of the business in the State. A temporary camp of military in-struction for the army and volunteer forces is pronoed by Senator Mitchell to be established at the World's Fair, the militia not to exceed 50,000. The upper mill of the Lackawanna Iron and Steel Company at Scranton, Penn., has been shut down on account of lack of orders. This movement throws 600 men out of employment.

Henry P. White of Kaness City, Kan., a member of the Board of Trade, has bought 1,000 acres of land near that city on which he proposes to colonize all the negroes of the town into a self-support-ing village.

The Internal Revenue Commission-er's report shows that there were 18,-000 less cigars imported into this country the past year than during the previous year, while the increase in domestic cigars was 200,000,000,

A consolidation league is at work in New York and Brooklyn getting pledges of citizens who will vote for the union of the two great cities. It is expected that the movement will be able to make quite a show before the Albany legis-lators.

The trick of voting on the names of dead men, non-residents, minors and the like appears to have been developed into an almost celentific fraud in Provi-dence. R L, where over 2, 00 names of factitious personages were found on the list of voters.

There are not enough available men to equip the six new vessels to be plated in commission some time before the naval review next spring. Thirteen hundred men are required for this pur-pose, and of that number only about 500 have so far been secured.

PERSONAL MENTION.

Henri Rochefort Evinces His Hatred of Germans-Heavy Loss to Austrian Literary Circles.

Mr. Carnegie came to this country forty-seven years ago, when he was 10 years old, and has never had time to get turaliz

Mascagni, the composer, has received an offer to come to America. Should be decide to come he will conduct some of his operas here.

A prince of the Bassa tribe of West Africa is taking a course of studies at Bates College, Mc, He goes by the name of Louis P. Clinton.

Sam Joseph, who led the Chicago Con-vention in singing "Grover, Grover, four years more of Grover," it is said, will be made United States Marshal of Phila-delphia.

James Payn, the noted novelist and editor, is probably the worst writer in the Brit'sh kingdom. A letter from him is nothing more than an interesting study in hieroglyphics.

year. Mavroyeni Bey, Turkiah Minister to Washington, is not a colemn and se-cluded person like most of his country-men, but s jolly little "Frenchy" sort of man, with a fondness for social life. Ho baild up there a toy making in Uienns to build up there a toy making in dustry to company her husband on his snoreach-ing veit to tha country. It does not take a woman lorg to mad out that a long-haired, same green luband needd quite as much loking after when he is away 'to n home as an ord nary husband would. Houri Bochefort avinces his underson

would. Henri Rochefort evinces his undying hatred of the Germans in various ways. The most pronounced and public is the keeping of a standing notice in the busi-ness office of his newspaper which is in substance: "No advertisements ac-cepted from Germans under any circum-sts ces." A heavy heavier to the the termination of the substance of the subst

I have d in commission some time being to be the interest of the naval review next spring. Thirteen hundred men are required for this purpose, and of that number only about 500 have so far been secured.
Tremation is becoming an issue again in Massachure'ts. Societies organized in 1885 and 1886 quickly collapsed for want of public sympathy, but the Mas sachusetts Crematica Society, of more recent origin, has the connenses of some distinguished men and every promise of syccess.
