

BRIEF MENTION.

Ex-President Hayes died suddenly at his home in Fremont, Ohio, Tuesday morning at 11 o'clock.

C. W. Blakesley and A. J. Rubert made a trip to Astoria last Friday, returning on Saturday.

For some days past Dr. Cliff's wife has been seriously ill. Last Saturday Dr. Caution, of Portland, was called in consultation.

Mr. and Mrs. Thomas Cloninger, of Scappoose, brought over a sick son to see Dr. Cliff last Sunday evening, returning home Monday morning.

Mrs. J. Von Garnap, of Oak Point, Wash., was in St. Helens Tuesday, in consultation with Attorney Rice on legal matters.

The steamer Shaver has been hauled off for repairs, and the Sarah Dixon's now on the run between Portland and Clatskanie.

A grand masquerade ball is announced for Wednesday evening, February 22, at Wata's & Price's hall, Scappoose. A good time is anticipated.

A prize masquerade ball is booked for Masonic hall, St. Helens, to take place on Tuesday evening, February 14. Brice's orchestra has been engaged to furnish the music, and a successful ball and highly enjoyable time may be expected.

C. Sauerin says those "warm nights" out in Garlos Valley, spoken of by our correspondent, were almost cold enough to freeze the teeth of a 16-year-old pupil.

Messrs. Dillard & Cole, Thomas Cooper and "ye printer man" came down from Portland on the Lurline on her Saturday night run. The Lurline is a good boat and fast, but the motion of her cabin floor reminds one of the gyrations of a jig-saw on short allowance.

Last Wednesday morning Al. Robinson was seized with a fit—a fit of industry—and put a prop up against the fence in front of his barn and drove in a couple of nails. The effort required considerable exertion and he will not repeat it again soon.

Mrs. C. L. Colburn, who has been quite ill for two weeks past, is now able to be up and about the house.

Now is the season for smelts, and the people seem to be "smell"-ing themselves to their hearts' content.

CLATSKANIE.

John Mullen was on our streets today, for the first time in some months.

The steamer Sarah Dixon came in Monday evening in place of the Shaver, and seemed to carry most of the crews of both vessels.

Will Deeds left the steamer here this week for a visit to Nehalem valley, where his wife is stopping.

Dave and Jimmy McDonald, George Sutherland and Frank Elliott started on Tuesday for their respective claims in the Nehalem valley country to rusticate.

Railroad rumors furnish a topic for conversation in the stores and elsewhere about town. The prospect of a road from Goble to Astoria pleases our people very much and is fully discussed.

The addition of new pupils at the school has made another purchase of desks necessary.

Mrs. Grant Jones returned home last week, after quite an extended residence with her sister in town.

The present is a remarkably quiet time in our village, and the cutting and delivering of firewood is the most flourishing industry. The sharp frosts that have visited us make a good deal of wood necessary to comfort.

Another "social" is announced for next Friday evening at Merrill's hall, with literary and musical exercises, coffee and sandwiches as the attractions.

There will be quite a settlement on a part of K. S. Bryant's place in the near future. The following persons have secured tracts of five or more acres of land which they expect to improve and reside upon: L. Leonard, Ray Sullivan, C. W. Jones, E. Hankins and Chas. Polsvort. These tracts are outside the city limits but near enough, the owners think, to give them city advantages and afford them a market for the vegetables they propose to raise.

Mr. Leonard is already located on his 10 acres, and C. W. Jones is at work clearing off his piece.

Charles Erickson has been logging this winter off the Adam Barr place, and is getting quite a number of logs into the river.

DELENA.

About three inches of snow fell at this place last Saturday, but soon disappeared under the warm influences of the sun and wind.

Mr. J. A. Atkins made a business trip to St. Helens last Tuesday, returning the same day. Atkins has had very poor health ever since he returned from California.

W. N. Meserve has been at Rainier for two weeks past, surveying for Mr. A. T. Dobbins and others.

Miss Atta Mathews is progressing nicely with the Lost Creek school. We understand she expects to give an entertainment at the close of school.

Mr. William Holappell has recently purchased a team ready for the coming season's hauling.

Although the weather has been very disagreeable for several weeks, Mr. Cramer has been able to make his regular trips on time with the mail from Mayers.

Mr. and Mrs. John Palm spent Christmas with their daughter, Mrs. Lilgeron, of Portland.

Thomas Meserve returned from St. Helens last Monday.

Meserve Brothers expect to begin work soon on their mill building, preparatory to moving the mill.

Not from a financial standpoint. I do not recommend Chamberlain's Cough Remedy from a financial standpoint, for we have others in stock on hand which we make a larger profit, says Al. Magrini, a prominent druggist of Braddock, Penn., "but because many of our customers have spoken of it in the highest praise. We sell more of it than of any other preparation we have in the store." For sale by Edwin Ross, druggist.

Train Wrecked.

Last Sunday, while a wood train on the Portland & Willamette Valley (narrow gauge) was speeding up the line from Portland, it ran into a tree which had fallen across the track, derailing the entire train, killing the fireman, John Hohenloiter, and a laborer named Prasceller. The train consisted of engine, several flat cars and mostly lumber, and all save 17 men, mostly laborers, and all save one were injured. The engine and cars were completely demolished. The injured were at once taken to their homes in Portland, except those who had no homes, who were taken to the city hospital, where two have since died from their injuries.

DEED.

PRICE.—At Scappoose, Or., January 16, 1893, of pneumonia, Lola Maude, seven weeks old infant daughter of Mr. and Mrs. D. W. Price.

There's a pair of little hands Laid to rest forevermore: There's two pearly dimpled cheeks Whose rich blossoming is o'er; Death has sealed two little eyes That will no more smile or weep; Tiny window of the soul And Little baby's gone to sleep, She has only gone to sleep.

She will wake in fairer lands, Where the angel voices sing; There the flowers shall expand, There shall love perfection bring; She has reached the golden shore, There 'neath the river cold and deep; Angels bow her safely there; Little baby's gone to sleep, She has only gone to sleep.

ELECTRICITY VS. DISEASE. Another Long List of Cures Added to the Thousands Accomplished by Its Use.

So much has been said in praise of Drs. Darrin and their wonderful cures by electricity, and so many cards and letters from grateful patients, that it seems useless to publish them. We will, however, give names and addresses that people may refer to them:

Charles Smith, 148 Fourth street, Portland, Or.; nervous debility, kidney and liver complaint and pain in back; cured.

Mrs. R. J. Frakes, Scappoose, Or.; heart trouble and general debility; cured. Also her son was cured of rheumatism.

W. F. Hubbard, superintendent of the United States fish commission, Clackamas, Or.; moth or liver spots over his person; cured.

Mrs. R. Griffith, Boise, Wash.; catarrh, bronchitis, dyspepsia, kidney trouble and female complaints; restored to health.

F. P. Sawtell, Independence, Wash.; dyspepsia and kidney complaint, pronounced Bright's disease by some physicians; restored.

Dr. Darrin still holds forth at 270 1/2 Washington street, Portland, and Revere House, Albany, Or., and gives free consultation daily from 10 to 5; evenings 7 to 8; Sunday 10 to 12. He treats all curable chronic, acute and secret diseases at half his former prices. The poor free. Circular and question list sent free.

Always Get the Best. Persons who suffer from rheumatism want immediate relief. It is not enough that the pain should be eased, and the appetite be increased. Anything short of a cure is only prolonging torture. The painless acids in the blood, which is the direct cause of rheumatism, are immediately and effectually expelled by Dr. Drummond's Lightning Remedy. Where it fails to perform a cure, the price is refunded. That the remedy cannot furnish it, the remedy will be sent prepaid to any address on receipt of price, five dollars, Drummond Medicine Co., 48-50 Maiden Lane, New York. Agents wanted.

TOURIST AND FAMILY HEADQUARTERS. New York Restaurant. ANDERSON & BEAKEY, Proprietors. No. 132 First Street, PORTLAND, - - OREGON.

From the Piney Woods of the North to the Everglades of the South, druggists are besieged by people with every shade of rheumatism, inquiring about Dr. Drummond's Remedy. "Will it cure me?" And the druggist points to the fact that the Drummond Medicine Co., 48-50 Maiden Lane, New York, offer a reward of \$500 for a case their remedy will not cure. That kind of answer is satisfactory, and the sufferer plucks down five dollars and goes home and is cured. Not only relieved but cured. Agents wanted.

FRUIT TREES! WE HAVE TO MAKE ROOM for spring planting, so are offering apple trees at wholesale prices to retail buyers. These are choice varieties, suitable for market or home use; \$4 for 50; \$7 for 100; prune trees, \$12 per 100. A. H. OLADAY, Jan. 20, 1893—t Scappoose, Or.

It Should Be in Every House.

J. B. Wilson, 371 Clay St., Sharpburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with pneumonia after an attack of the grippe, when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for lung trouble. Nothing like it. Try it. Free trial bottles at Edwin Ross' drug store.
