discuss and arrange such a code. "The Irish home-rule bill," declared Michael Davitt, M. P. for North Meath, in a forcible speech in the House of Commons one day last week, "will be ac-cepted by 13,000,000 of the Irish race as a pact of peace to be honorably observed." The large tunnel between Capri and Acquafredda on the Pisciotta-Castro-cucca railway, Italy, has recently been successfully driven. The tunnel, which is three and a half miles long, was com-menced about three and a half years ago. ago.

The method of treating snakebite by injections of strychnine is to be submit-ted to exhaustive trial in India under the sanction and supervision of the gov-ernment. The method has proved high-iy effectual in many cases reported in Australia.

The canal across the Isthmus of Corinth is soon to open to navigation, and has cost \$20,000,000. It has been built with French capital and under French direction, the original concession having been granted some twelve years ago to M. de Lesseps.

M. de Lesseps. Some of the French papers are trying to stir up ill-feeling against Lord Duf-ferin, the British Ambassador at Paris. They accuse him of trying to make trou-ble between France and Russia, and with giving financial help to the Triple Alliance and its agents.

On account of increased railway rates the British Army authorities have adopted the novel method of sending transports required for various maneu-vers by road, in trains of wagons drawn by traction engines. The cost has thus been reduced fully one-hall.

worth of pine lumber. London devours every year 400,000 oxen, 1,600,000 sheep, 500,000 calves, 700,000 hogs, fowls innumerable and 9,-800,000 gallons of milk. The most expensive fur is the skin of the black fox of Kamschatska. These animals are scarce and hard to kill, and a single skin sells for about \$1,000. Between the years 1880 and 1890 these

Hundreds of workingmen and their wives made a demonstration before the Parliamentary building at Bucharest against the increase of the octroi. The Minister of Public Works was attacked as he rode from the chamber. Stones were thrown through his carriage win-dows and three men tried to drag him into the street.

tion of which was secured at Washing-ton the other day. The fort will be five acres in extent, and will be for business as well as pleasure. Mounted on it, the great gun will be to protect the entire city from attack by water, as it could sink an ironclad with a single shot. Work on the fort will be commenced at once and pushed with the greatest rapid-ity, so as to be in working order before the fair closes. It will cover five acres with the most approved defenses. Postmaster-General Bissell has issued a notice to all neatmasters that there is
