SIDE-HEAD PARAGRAPHS.

COUNTY SEAT.—The Nehalem Journal and Clatsop Gazette have a county seat contest started in Columbia county. They do not say whether the county seat is to be at Vernonia or Clatsop, but perhaps they will explain in due time. We, of St. Helens, know very little about such matters.

SIXTEEN IN ONE FAMILY.—In the Christmas disaster at Silver Lake, Oregon, there were sixteen persons belonging to one family perished in the flames. They are J. J. Buick wife and three children, Walter Buick, and ten relatives of these two families. The Buicks are sons of Senator D. S. K. Buick, of Roseburg.

NEW YEAR'S BALL.—The ball given on Tuesday night at the opera house was well attended by the people of the city, Seaside, and other places near by. Music was furnished by Brice's orchestra, of Seaside, and supper served at the St. Helens hotel. The evening seemed to fully enjoy the evening, and not until 4:30 in the morning did the festivities conclude.

Joe Brown, Wagon Orchard & Jones, proprietors of the St. Helens water works, are considering a plan for putting in a gravity system and bringing the water from a spring on Milton creek. They have not definitely decided the matter, however, and consequently no preliminary work has been done. Better water would be very much appreciated, and it would not be hard to improve on the present system.

ASSESSMENTS REDUCED.—The state board of equalization in session at Salem Monday made some large reductions in property assessments in a number of counties of the state. In Columbia county the assessed valuation of town lots and improvements thereon was reduced ten per cent. On railroad, wagon road, improved and unimproved lands, railroad tracks and telegraph lines, a reduction of 20 per cent was made. The assessment in a number of counties was unchanged.

A GOOD MARKET.—It is said that another raft will be constructed in the big frame at Stella early next spring. It is the opinion of men who know the eccentricities of Mother Ocean, and have spent a life-time on the bounding billows, that about the only way the promoters can get their raft to San Francisco, is by taking it overland. They should never be allowed to go to sea with it, for history shows plainly that they are a source of great danger to navigation. One does like that of last winter is enough for more than a generation.

THEY ALL LAUGHED.—The writer furnished amusement for the skaters this week. On Saturday he took a header, and after going through an acrobatic performance in mid air for some time, alighted on his chest (which, of course, was hard to time) but before the ten seconds were up he was on his pins again ready for another knock-out blow. Sunday the entertainment was resumed by the same individual taking another leap, this time knocking the ice out and going through to a depth of several feet, after which to secure a last skate he special act of submarine diving brought down the audience. In the absence of no collection being taken up the performer struck out for warmer quarters.

FOUR DAYS OF SKATING.—The last four days of last week were greatly enjoyed by the people of this vicinity who enjoy ice skating. On Wednesday the ice was sufficiently strong to bear up the average small boy, and on Thursday, all classes, ages and sizes were in the midst of hilarity, which continued all day Saturday and Sunday, and was stopped about 5 o'clock Sunday night by a light fall of snow. Friday the ice was at its best, and was all that the heart could desire in that line. The lakes had to allow always furnish skating several days in advance of any other locality in this section, not, perhaps, because it is colder here, but because we have small lakes covering several acres each, where the water is shallow, which freezes over before larger and deeper bodies of water do. The four day's skating was, indeed, a treat to those who enjoy such sport.

MASONIC INSTALLATION.—St. Helens Lodge No. 32, A. F. & A. M., held a public installation of officers for the ensuing year on December 27 (St. Johns Day) and installed the following officers: W. M. D. J. Switzer; S. W. E. E. Quick; J. W. U. Clark; S. C. H. Johns; treasurer, James Muckle, jr.; senior deacon, T. C. Watts; junior deacon, Judson Wood; senior steward, Mr. Vivian; junior steward, Geo. Anderson; Tyler, Washington Muckle. The installing officers were Past Grand Master J. C. Moreland, of Portland, and Past Master D. C. Tredford. After the installation the members and invited friends repaired to the lower hall and partook of a splendid lunch which had been previously prepared. The addresses by Judge Moreland and Judge McBride are said to have been very able and appreciated by those present.

JUROR SWAGER'S COURT.—Thomas Crowley and Charles Kelley, who live near the mouth of Gilbert river, were arrested on a warrant sworn out by G. L. Graham, of Columbia City, last Friday on a charge of felony for stealing two sets of nets from the jetty opposite this place. The justice decided that the crime was not felony and discharged the accused, who were subsequently arrested on a charge of larceny and after a jury trial were found not guilty. The same evening the same parties were again arrested on a warrant sworn out by A. Church, charging them with the larceny of a net and were tried before a jury Monday. The jury resulted in the acquittal of the parties. A conviction of Crowley, the larceny was returned to serve thirty days in the Multnomah county jail and was conveyed to that institution by Sheriff Dean Monday.

PUBLIC INSTALLATION.—Avon Lodge No. 62, Knights of Pythias, held its semi-annual installation of officers last Tuesday evening. This was the first installation of officers of Avon Lodge. The services were public and were witnessed by the members of the lodge and their wives and friends to the number of about eighty. The regular ceremony was interspersed with music—instrumental and vocal—and at the conclusion Judge McBride delivered a very able and instructive address, touching particularly the work and progress of the order, which he characterized as being strictly American in its origin. The instrumental duets on the mandolin and guitar by Mr. E. C. Davis and Miss Josie Green with accompaniment by Mrs. Muckle were splendid. Mr. Harrison Allen's original composition, "The People of St. Helens," with Mrs. Allen as solo vocalist, was indeed a treat and was greatly enjoyed by those present. At the conclusion a vote of thanks was tendered those who had assisted to ward making the evening a pleasant one, and by unanimous request Judge McBride consented to allow his address to be published, with the ceremonies were brought to a close and those present mingled together in social chat and hand-shaking for some time before leaving the hall and we believe all went away carrying with them a good impression of the order of Knights of Pythias as a social, benevolent, and charitable institution whose object is for the upbuilding of civilization and the betterment of mankind. The officers installed were: C. C. Dave Davis; V. C., W. A. Harris; F. James Sheldon; M. at A. Jas. Cox; M. of W. D. J. Switzer; M. of E. E. Quick; M. of F. C. H. Newell; K. of R. and S., Chas. Davis; I. G. C. W. Blakely; O. G. Jas. Muckle, jr.; W. D. Conant, trustee for three years.

DISTANCE COVERED IN DANCING.—An average waltz takes one over three-quarters of a mile, a square dance makes you cover over half a mile, and a gallop takes a good mile. Count up for yourself how much the girl with a well filled programme traverses in an evening. Twenty dances on the average you know. Of these about twelve are waltzes. There are one or two minuet dances. Three gallops and she has done twelve miles. Five other dances at a half mile apiece bring her to fifteen miles to say nothing of the intermission stroll and the trip to the dressing room to renovate one's gown and complexion. And these are probably the same girls who were so delicate to wash the supper dishes for "ma."

AS OTHERS SEE US.—The jail of Columbia county is situated at St. Helens, the county seat, but the structure is so firmly built that Sheriff Dean is afraid to trust his long term prisoners within it, fearing they might walk out through the sides of the building. As a consequence the prisoners sentenced to more than five days' incarceration is brought to Portland and placed in the county jail here, the cost of his keeping being charged to Columbia county. As this charge is slightly in excess of the net cost of the prisoner's board, Columbia county's lack of jail facilities proves a source of revenue to this county.—Portland Sun.

SEVERE SNOW STORM.—Western Oregon is now in the midst of one of the most severe snow storms in the history of the Northwest. Up to noon yesterday snow had fallen to a depth of about 10 inches. In the morning it rained and sleeted for some time, making a hard crust on top, but later a second fall of snow began and continued during the day. Many persons in the county are short of feed for stock, and should the storm continue and the snow lay on for any length of time stock will suffer greatly. Aside from this no suffering is anticipated, though it is impossible for people to follow their daily vocations in earning a livelihood.

PERIS POINTERS.—R. McGrew went to St. Helens last Saturday. R. H. Bailey is spending a few days at home with his family. D. H. Pope, of this place, spent Christmas in Oregon City with his sister, Mrs. Roberts. Most of the Milton creek logging camps are shut down now owing to the recent cold snap. School commenced at the residence of C. O. Meyer, Wednesday, Mrs. Meyer being instructor. R. H. Bailey's residence caught fire Sunday morning, and would have been in ashes only for the quick work of Mr. and Mrs. Baile. As it is only slight damage is done. Chamberlain's Cough Remedy is famous for its cures of bad colds. It opens the secretions, relieves the lungs and aids nature in restoring the system to a healthy condition. AN OLD SOLDIER'S RECOMMENDATION.—In the late war I was a soldier in the First Maryland Volunteers, Company G. During my term of service I contracted chronic diarrhoea. Since then I have used a great amount of medicine, but when I found one that would give me relief it would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was brought to my notice. I used it and my permanent relief and no bad results followed. I take pleasure in recommending this preparation to all of my old comrades, who, while giving their services to their country, contracted the dreaded disease as I did, from eating unwholesome and uncooked food. Yours truly, A. E. Bending, Halsey, Oregon. For sale by Dr. Edwin Ross.

THE NEW YEAR OREGONIAN OF forty pages, was received here with a great deal of anxiety and was greatly appreciated; not because it was the Oregonian, but because it contained much descriptive matter pertaining to our great state.

MR. AND MRS. CHARLES H. ENGLISH, Mr. and Mrs. Frank M. Boy, Mr. Edwin Safford and two sisters, and Mr. Fred Henderson, of Deer Island, the gentlemen all being members of this lodge, were present at the K. of P. installation Tuesday night. Also Mr. and Mrs. N. A. Perry, of Houlton.

SOME TIME AGO Mr. Simon Goldbaum of San Luis Rey, Cal., was troubled with a lame back and rheumatism. He used Chamberlain's Balm and a prompt cure was effected. He says he has since advised many of his friends to try it and all who have done so have spoken highly of it. It is for sale by Dr. Edwin Ross, druggist.

PERSONAL AND GENERAL.

Thomas Cooper went to Portland Monday. W. H. Dolman was in Portland last Wednesday. Messrs. Orchard and Jones, the water system men, were in town Tuesday.

Last Saturday was the Oregonian's children's day at the Portland exposition. Miss Mary Burke, of Rainier, was present at the New Year dance at this place.

Charles Lounsbury and a friend, of Portland, were in the city Tuesday visiting friends. This is the kind of weather that makes a woodpile look sick. Fortunately fuel is cheap.

Judge T. A. McBride came down from Portland Tuesday morning and returned Wednesday. County court next Wednesday, and probate matter will be looked after on Monday and Tuesday.

Miss Belle Perry, of Rainier, was in attendance at the dance given at this place on New Year night. Miss Susie Holcomb, of Portland, spent New Year in this place, the guest of Miss Frankie Way.

John Spencer, of Brownsville, Oregon, was in St. Helens last Sunday, the first time in many years. The Knights of Pythias wish to thank the Masonic brethren for favors extended Tuesday evening.

A large number of people from the Washington shore were present at the dance at this place last Tuesday. W. A. Harris returned from Vernonia Saturday, where he had been to visit his family on the homestead.

Servant turned in severely was the sight which greeted the eyes of the population of St. Helens Wednesday morning. Miss Anna Merrill, who has been seriously ill at this place for some time, was removed to a hospital in Portland last Saturday.

Oregon has 125 sub-ordinate lodges of Old Fellows, with a membership of 5300, and 56 E. E. E. lodges with 2288 members. There was an enjoyable dance given at the residence of Mrs. Baker, at Gillette, Friday night last and it was reported a good attendance was present.

Among other Christmas festivities in Beaver valley we note a dance at John Nelson's and one at Albert A. Kins, both of which were enjoyable affairs. Mr. W. B. Dillard went to Portland Wednesday to argue a motion in the Columbia county land cases, which are now pending in the courts of Multnomah county.

Miss Dell Butler returned a few days ago after a several week's visit to Oregon City. Miss Butler expects to spend a considerable portion of the winter in the fall city. Dr. Ross was home from St. Vincent hospital to spend New Year, and to look after business affairs. He returned Wednesday morning to his post of duty as hospital surgeon.

Mrs. Lou Miller, of Lone Rock, Oregon, is visiting friends and relatives at Gillette. She came down to have her eyes treated by Dr. Blanchard, of that place, and will probably remain all winter. Mr. W. C. King has the shingle mill which he recently moved to near Reuben, in successful operation. He cuts from 25,000 to 28,000 shingles a day, and will ship from the wharf at Reuben.

Mr. W. B. Dillard went to Portland last Saturday night to bring some friends down to enjoy the ice, but before they arrived the snow had fallen and spoiled the skating. Secretary of State Mr. Brice, who has been in New York taking treatment for his lame knee, writes that his condition is greatly improved, and he expects to be at his post of duty at the capital when the legislature meets.

AN OVERTURNED LAMP.

Causes the Death of Forty-Two People at Silver Lake. Klamath Falls, Or., Dec. 28.—A most horrible holocaust occurred at Silver Lake, Or., Christmas eve. Over 40 people gave up their lives. Sixteen were badly injured, five of whom will probably die. While Santa Claus was making merry, the little children who had assembled in the hall above Christian Brothers' store, with their parents, brothers and sisters, little dreamed of the horrible fate they were soon to meet. The Lakeview Examiner says: "Some one attempted to get where he could see and hear better by jumping upon a bench in the middle of the hall. In doing so, his head struck a lamp hanging from the ceiling, causing the oil to run out which immediately caught fire. While trying to take the lamp down, it was tipped so that the oil ran out on the floor. From that time on the scene was terrible to behold. Some said, 'Shut the door and keep quiet, it can be put out,' while others screamed and yelled. The lamp was finally taken down but it fell to the floor. In the attempt of the people to escape, it was kicked to the door, where it lay motionless, as it could not be touched on account of the intense heat. People were compelled to go through the flames, in order to reach the door, and frantically rushed to their doom. The killed are: "Mrs. John Buck, Freddie and the baby; Mrs. O. W. Lillie and Bruce; J. J. Buck and his daughter; Mrs. J. Soelling; Mrs. Howard and two children; Wood Hurst and wife; Mrs. Cowley; Frank West, his wife and two children; E. Bowen; Miss McCauley; T. J. Lambrie and child; Mrs. Ward, et.; Mrs. U. F. Abshire; Frankie Horning; Mrs. Payne; Mrs. Nettie Williams and child; W. Clay Martin and wife; Robert Small; Mrs. Ella Ward and child; Frank Ross, his mother and sister; Roy Ward's child; Ira Hamilton, and Mrs. Gus Schroeder and child.

"The five injured, who are likely to die are: "Mrs. T. J. Labrie, Bob Snelling and sister, and Ed Payne and son. "The postoffice and the entire stock of goods of Christian Brothers, which were in the building, a two-story structure, were consumed with it."

SYLVESTER TO GROVER. His Excellency Gives His Fare a Last Official Flap. Governor Penoyer, of Oregon, has again taken his pen in hand and indited a letter to President Cleveland, of which the following is a full text: "PORTLAND, Or., Dec. 25.—To President Cleveland, Washington, D. C.: Christmas has once more visited our stricken land with its protracted industries and its idle throats, while but unable to work, and unwillingly forced to beg or suffer. Your presence and change in the Sherman law and tariff has been admirably administered, but there is no change in the sad condition of our unfortunate country. After two years of ruinous delay and mismanagement you have, thank heaven, at last discovered the real trouble, although you have not proposed the proper remedy. As you now concede, the country needs more money, but it does not want the worthless stuff you proffer. It needs gold and silver money with which to pay debts, and it does not want bank tags with which it cannot pay debts. Thirty years ago the democratic party had a president that defied the banks in the interest of the people. Has it now a president that defies the people in the interest of the banks? All the traditions of the party that elected you are for gold and silver money, and against bank currency. Do you aspire to furnish an example of treason to the cause entrusted to your care, which will be without any parallel, except one, in all the annals of American history? Your party in both houses favor the restoration of silver as standard money, the people actually suffering from the existing prostration of business, favor it, and will you not stand with them in overturning the monumental policy of the British moneyed oligarchy, which is fast degrading our fair country to the subjugated province, and our hitherto free people to the condition of financial serfdom. Always remembering the unemployed multitudes all over our broad land, I pray that God may give you light and strength to do the right.
