Dr. Ross desires us to publish the following extract from a letter of Chas. M. Gutfield, of Redkey, Fresno Co., Cal., as he handles the remedy referred to and wants his customers to know what a splendid medicine it is.

CLATSKANIE.

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children.

CLATSKANIE.

Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quick nostrums which are destroying their lives.

McBride's Vast Estate.

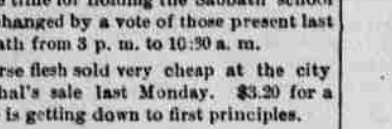

This, from the New York World, will probably be news to many Oregonians: "Senator-elect George W. McBride, of Oregon, was an ardent lover of out-door life, an excellent horseman, and a sure shot with a rifle before he was crippled by a fall from a wagon a few years ago."
